

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Diocese of New Jersey

One Hundred and Twenty-second

Annual Convention

H. D. 1906.

TITLE I.

CANON I—SEC. 2.

OF THE TESTIMONIALS TO BE GIVEN TO LAY DEPUTIES.

The certificates of the election of Lay Deputies shall be in the following form:

[Name of the Church, the place and date.]

This certifies that at a meeting of the congregation of this Church, for the purpose of electing Church Officers and Deputies to the Convention (or *for the purpose of electing Deputies to the Convention*, if the meeting be for that object alone), A. B., C. D., and E. F., being members of the congregation and communicants of the Church, were duly chosen to represent the parish in the Convention for the year ensuing. In testimony of which I have hereunto set my hand (or if the two Wardens subscribe, *we have set our hands*) the day and year above written.

N. B.—The signature of either the Rector or the Secretary of the Vestry is sufficient. If neither the Rector nor the Secretary signs, then the signatures of *both Wardens are necessary*. [A Clergyman who is simply a Minister-in-Charge, or Missionary, cannot sign.]

In the case of a congregation organized under Trustees, the certificate may be signed by two Trustees, in lieu of the Wardens.

The Lay Representation is limited to three Deputies, whose names should be carefully and *legibly* written.

This certificate is to "be transmitted to the Secretary of the Convention AT LEAST TEN DAYS BEFORE THE MEETING OF THE ANNUAL CONVENTION."

In order to secure this, the Secretary will forward a blank form to every Parish, and he earnestly asks the PROMPT attention of the Clergy.

In Article IV, Section 3, of the Constitution, it is provided that "*the Deputies, with their alternates, shall be chosen by the Congregation from the male communicants thereof, and no Lay Deputy shall represent more than one Parish.*"

THE NEXT CONVENTION OF THE DIOCESE OF NEW JERSEY WILL BE HELD, GOD WILLING, IN ST. MICHAEL'S CHURCH, TRENTON, BEGINNING ON TUESDAY, MAY SEVENTH, ONE THOUSAND NINE HUNDRED AND SEVEN, AT HALF-PAST TEN O'CLOCK A. M.

On motion, the report was accepted and the Parishes were duly admitted. The names of the deputies from the parishes thus favorably reported were then called by the Secretary.

On the nomination of the Bishop, they have given substantial aid to four clergymen from the Aged and Infirm Clergy Fund, and to eight persons from the Widows and Orphans Fund of the Diocese.

C. M. PERKINS,
Secretary.

The report of the Registrar, the Rev. M. B. Nash, was then read, as follows:

The Registrar begs to make the following report: with the kind assistance of the Secretary, copies of the Journal of the Diocese of New Jersey for 1905 were sent to all Dioceses and Missionary Jurisdictions of the Protestant Episcopal Church in the United States and the colonies. Journals have been received from 58 Dioceses and Missionary Jurisdictions.

He has had the Journals of the Diocese of New Jersey for the years 1895-1905 inclusive, bound in two volumes, bringing the set of Journals owned by this Convention to date in uniform binding. He has put labels on the cases in which the Journals of the Dioceses are kept, thus greatly facilitating the finding of any particular Journal, and has made a new index of the Journals on hand, so arranged as to show at a glance whether the Journal of any Diocese for any particular year is in the collection or not.

Many Journals even of recent years of various Dioceses are missing. Besides Journals, we have received many pamphlets, catalogues and circulars, which have all been carefully preserved.

Respectfully submitted,

M. B. NASH,
Registrar.

The Rev. J. McA. Harding presented the report of the Christian Knowledge Society.

(See Appedix VIII)

The Secretary presented the following report:

The Secretary respectfully reports that since the removal from the Diocese of the Rev. H. S. Smith he has, since July 1st last, preformed, as Acting Secretary, the usual duties of the office. Copies of the Journal have been printed and distributed, according to the rule adopted by the Convention.

The tellers for the election of a Committee on Constitution and Canons then reported, the ballot showing the election of the following: The Rev. O. A. Glazebrook, D.D., the Rev. E. M. Rodman, the Rev. J. F. Olmsted, Mr. Bayard Stockton, Mr. B. F. Hayward Shreve.

Under miscellaneous business, the Rev. E. M. Rodman moved the following resolution, which, on the Secretary putting the motion, was unanimously carried:

Resolved, That the congratulations of the Convention be tendered most heartily to the Bishop of the Diocese on the 75th anniversary of his birthday recently passed.

The Rev. Mr. Rodman also moved the following:

Resolved, That, in view of the fact that one of the members of this Convention is to act as deputation lecturer for the Society for the Propagation of the Gospel, as mentioned by the Bishop in his address, a Committee of three be appointed by the Chair to draft a paper expressive of the

renewed appreciation of the work done by the Society in New Jersey, and placed in the hands of the deputation lecturer to be conveyed by him to the Secretary of the Society for the Propagation of the Gospel.

The resolution was adopted, and the Bishop appointed as a Committee to draft the papers, the Rev. E. M. Rodman, the Rev. O. A. Glazebrook, D. D., and Capt. James Parker.

The Rev. J. R. Atkinson moved the following:

Inasmuch as the Bishop's pass on the railroads has been withdrawn, thus putting the expense of railroad travel on him—therefore be it

Resolved, That mileage be paid to the Bishop out of the funds of the Diocese; and further be it

Resolved, That this resolution take effect immediately; and further be it

Resolved, That the railroad fares thus far paid for by the Bishop during the present year be repaid by the Treasurer of the Diocese.

The Bishop protested that he did not wish to put this tax upon the Convention, but on the Rev. Dr. Baker, who had been called to the Chair, putting the motion, it was unanimously adopted.

The Rev. Charles Fiske moved the following, which was referred to the Committee on Finance, to report thereon to this Convention on the following day:

Resolved, That it is the sense of this Convention that the Parish in which the Diocesan Convention meets should not be expected to provide entertainment for the Clerical and Lay Deputies thereof.

Resolved, That on each day of the Convention's session a simple luncheon be provided for the Clerical and Lay Deputies, under the direction of the Rector in whose Parish the Convention meets, and that the cost thereof be paid from the funds of the Convention.

The Special Committee appointed to report to this Convention amendments to Canon II, Title II, regarding qualification-

of voters, presented a report, embodying a substitute for the present Canon.

(See Appendix VII)

Consideration of the report was objected to on the ground that under the Constitution it should first be referred to and reported on by the Committee on Constitution and Canons. On the Chair ruling otherwise, an appeal was taken and the ruling of the Chair was sustained.

On motion of Mr. Gales, it was ordered that the Secretary be instructed to have the report printed for distribution to the members of the Convention and that the matter be made the special subject for eleven o'clock the following day.

The Rev. E. J. Knight moved to amend Article X, Section I, to read as follows:

The Standing Committee shall consist of four Clergymen and four Laymen, four of whom (two Clergymen and two Laymen) shall be elected for one year, four (two Clergymen and two Laymen) shall be elected for two years; and each succeeding year the Clergymen and Laymen elected shall be for a term of two years.

The vote shall be by Orders; a concurrent ballot of the Clergy and Laity at the time of the Annual Diocesan Convention. The Clerical members must be of those entitled to seats in the Convention, and the Lay members must be Communicants of some Parish in union with the Convention of the Diocese. A Clergyman or Layman having served one term to which he has been elected, shall not be eligible for election to succeed himself.

As soon as convenient after their election, they shall choose a President from among the Clerical members, and a Secretary. The proceedings shall be recorded by the Secretary, and be open to the inspection of the Convention.

Mr. James Parker then proposed the following amendment to the Constitution, as a substitute for Mr. Knight's amendment, viz.

Amend Article X., Section I, so that it shall read as follows, viz:—

Article X, Section II. A Standing Committee shall be elected by the Convention annually, by a concurrent ballot of the Clergy and Laity, voting by Orders, and shall consist of Four Clergymen, and Four Laymen.

The Clerical members must be of those entitled to seats in this Convention, and domiciled in this Diocese; and the Lay members must be Communicants of, and domiciled in, some Parish in union with this Convention: *Provided*, That no one shall be elected a member of said Committee for more than two years consecutively, except he shall receive a vote of two-thirds of all the ballots cast in each Order at such election (a blank ballot to be considered a vote).

As soon as convenient after their election, the Committee shall organize by choosing a President from among the Clerical members, and a Secretary, who may be a Layman.

All the proceedings of the Committee shall be open to the inspection of any member of this Convention; and a Summary Report of such proceedings shall be made to the Convention at its Annual Meeting.

Mr. Parker proposed the following as an amendment to the Constitution, viz:—

To add to Article X, a new section as follows:

Article XIII. Section 3. All Deputies and Supplementary Deputies shall be domiciled in the Diocese: and no one of either Order shall be elected either as Deputy or Supplementary Deputy for more than two terms consecutively, except he shall receive a vote of two thirds of all the ballots cast at such election in each Order. A blank ballot to be considered a vote.

The Rev. C. M. Perkins moved to amend Article X. of the Constitution in the first section, so that it shall read:

Section I. The Standing Committee shall consist of four clergymen and four laymen, two of whom of each order shall be from each of the Convocations into which the Diocese is divided, to be chosen annually by a concurrent ballot of the clergy and laity. The vote, etc.

All of which proposed amendments the Secretary was likewise instructed to have printed for distribution at to-morrow's session.

The Rev. Mr. Perkins moved to amend Title IV, Canon 3, line six, page 38, by adding the words, "And for the Widows and Orphans of Clergy Fund."

Referred to Committee on Constitution and Canons.

On motion of the Rev. E. M. Rodman, it was

Resolved, That the Committee on Constitution and Canons, with the Secretary of the Convention, be authorized to have printed 1,000 copies of a new edition of the Constitution and Canons of the Diocese.

The Committee on Certificates of Lay Deputies reported that the certificates of the deputies from Holy Trinity Church, Delair, had been rejected, as the parish was not in union with the Convention.

The Rev. James Stoddard, Chairman of the Committee on Proposed Missionary Canon, asked that the Committee be discharged from the consideration on the subject. After discussion, a motion to discharge the Committee was not adopted and the Committee was continued, to report, if possible, at the next Convention.

The Rev. J. F. Olmsted reported that the Committee on Missionary Apportionment had concluded its labors and asked that the Committee be discharged. Adopted.

On motion adjourned.

Offerings were received in aid of the Missions of the Diocese, to be divided equally between the two Convocations.

The Bishop said the closing prayers and gave the Benediction.

The service before its close was resolved into a business meeting, and on motion of the Rev. W. N. Baily seconded by the Rev. Eliot White, the proposed Canon II, Title II, of the Constitution was referred to the Committee on Constitution and Canons.

The Bishop, assisted by the Rector and the Rev. H. E. Thompson, celebrated the Holy Communion at 7.30 o'clock in St. James' Church.

At 10 o'clock the Rt. Rev. President took the chair and called the Convention to order. The Secretary called the names of the members who were not present on the preceding day.

Tuesday's minutes were read, corrected and approved.

The hour having arrived for the election of Standing Committee and other officers, under the Rules of Order, the Bishop appointed the Rev. Hamilton Schuyler, the Rev. Gilbert Underhill and Mr. A. Spooner as tellers of the clerical vote, and the Rev. J. L. Lancaster and Messrs Warren R. Dix and Haley Fiske as tellers of the lay vote.

The Committee on Certificates of Lay Deputies reported favorably on the certificates of the deputies from Trinity Church, Vincentown, and their names were read by the Secretary.

Ballots by orders were then taken for the Standing Committee, and the tellers reported the election of the following:

2. *Resolved*, That an assessment of two and one half per cent. be made upon the parishes in accordance with salaries of incumbents, to meet the necessary expenses of the Convention.

Because of increased expenditures, the Committee report adversely upon the resolution respecting the entertainment of the Convention referred to them at yesterday's session

3. *Resolved* That the Finance Committee be requested to consider the present method of assessments for the Bishop's salary and other purposes and to report at the next Convention any changes in methods or in the Canons that may be deemed necessary and advisable.

The Rev. Dr. Glazebrook, for the Committee on Constitution and Canons, reported favorably on the proposed amendment to Title IV, Canon 3, Section 3, and the amendment was adopted, as follows:

Amend Title IV., Canon 3, Section 3, line six, page 38, by adding the words "and for the Widows and Orphans of Clergy Fund."

The Committee on Constitution and Canons, to whom the matter was referred at the last Convention, reported that they have not discovered any essential differences between the Constitution and Canons of the General Convention and the Constitution of the Diocese, and that therefore no changes were needed to conform the Constitution of the Diocese to that of the General Convention.

The report was accepted.

On motion of the Rev. E. M. Rodman it was

Resolved, That the thanks of this Convention be tendered to the Minister and his helpers, of St. James' Church, Atlantic City, and also to the proprietors of the hotels, who have been our hosts at this session, for their generous hospitality, and that the Rev. Mr. Blatchford be requested to convey to them our thanks.

On motion of the Rev. H. E. Thompson it was

Resolved, That the Treasurer be instructed to pay to the sexton of St. James' Church, Atlantic City, the usual fee for his services during the meeting of the Convention.

On motion of the Rev. Dr. McKay it was

Resolved, That 1,200 copies of the Journal of this Convention be printed and distributed, as usual, by the Secretary.

On motion of Gen. Woodhull it was

Resolved, That the thanks of the Convention be tendered Mr. W. W. Blatchford Jr., for his efficient work in assistance to the Secretaries of the Convention.

The Convention then resumed the consideration of the proposed Title II, Canon II. After much discussion, on motion of the Rev. Dr. Nelson, it was

Resolved, That the proposed Title II, Canon II. on Election of Church officers, be re-committed to the Special Committee which offered it, to be reported upon at the next Convention.

The Rev. Mr. Perkins reported for the Standing Committee that they had organized by the election of the Rev. Dr. Baker as President and the Rev. C. M. Perkins as Secretary.

After discussion of the proposed amendment to the Constitution, on motion, the substitute of Mr. Parker for the proposed amendment to the Constitution, Article X, Section I, was not adopted by the Convention.

On vote thereupon on the proposed amendment, it also was not adopted.

By permission of the Convention, the Rev. Mr. Perkins withdrew his proposed amendment to Article X, Section I, of the Constitution, and by the same permission Mr. Parker withdrew his amendment to add to the same Article.,

The Rev. E. J. Knight offered the following:

Inasmuch as the funds of the Aged and Infirm Clergy Fund are sufficient to meet all demands likely to be made upon it, and the funds of the Widows and Orphans of the Clergy Fund are not sufficient, be it

Resolved, That the Clergy be requested to divert the bulk of the offerings usually divided between these two funds to the Widows and Orphans of the Clergy Fund.

Adopted

Mr. D'Olier, Treasurer of the two Funds, requested that in sending offerings separate cheques be sent for each fund, instead of combining the two into one cheque.

The minutes of the day's session were read and approved.

The Bishop addressed a few words to the members of the Convention, said the closing Prayers, gave the Benediction, and declared the Convention adjourned *sine die*.

JOHN SCARBOROUGH,

**Thirty-second Annual Address of the Rt. Rev.
John Scarborough, D. D., LL. D.,
Bishop of the Diocese.**

DEAR BRETHREN OF THE CLERGY AND LAITY:

I greet you in the Lord, as we come together in this wonderful City by the Sea, to take counsel for the welfare and advancement of that portion of the Church committed to our care in this diocese. It is less than a third of a century since I made my first official visit to Atlantic City. The church where we are assembled was quite equal to the demands of that day and was only in use during the summer months. Now, including Brigantine Beach, where the church is temporarily closed, there are five places of worship here, three of them incorporated parishes and open the year through. Not a penny of missionary money is expended here, and yet, considering the fluctuations of the population, I doubt if there is any other point in the diocese where such great multitudes are ministered to the year through.

The development of the New Jersey Coast, from Cape May Point to Sandy Hook, all within the bounds of this diocese, has been a wonderful object lesson. And I am glad to say that our Church has kept pace with the large and sudden demands made upon it and maintains a service, for at least a portion of the year, in every important centre. I need hardly call your attention to the transformation of this church building into a solid stone structure. The tower, which is entirely new, has been consecrated, as it was already paid for, and the remainder of the work will be completed as the means are in

hand to meet the expense. I am glad to be able to say also that the indebtedness, which has been a heavy burden for the rector to carry, has been greatly diminished, and this valuable property will soon be entirely free of incumbrance. While I congratulate the rector on what he has accomplished singlehanded, I beg to offer my thanks to those who have been his loyal helpers, from the first day of his coming until now. The Church of the Ascension of this City is doing a large missionary work. It was the founder and is the constant helper of St. Augustine's Church, besides building and maintaining All Saints' Church, Chelsea, which bids fair to be very soon a strong parish. Mr. Joseph P. Remington, of Philadelphia, has denoted a valuable piece of land in Longport, where he has his summer home, and during the present season he and his family propose to build a modest church on it. Longport is not in the corporate limits of Atlantic City, though it might puzzle a stranger to find the dividing line.

The year just passed will be memorable in the history of this country as well as in the world at large. By the brave intervention of our Chief Magistrate a desolating war between Russia and Japan was brought to a happy conclusion and the interests of universal peace advanced. In Russia there has been a great uprising of the masses against tyranny and absolutism and concessions have been made by the Government which a few years ago were not so much as dreamed of. The Republic of France has broken with the Papal power, repealing "the Concordat" made by the first Napoleon and thus severing the connection between Church and State. This has not been accomplished without protest and bitter opposition, on the part of the minority, but it is already an accomplished fact. From our standpoint the Church will be the gainer. Its Bishops and Clergy will no longer look to the State for their support and hence will be free to teach and preach as they have not

been hitherto. In the breaking up and dispersion of the monasteries and schools, the disloyal element has been largely eliminated, and now, if the State will permit the Church to do its work without interference in things temporal or spiritual, disestablishment will prove a real blessing.

There has been great and wide-spread indignation throughout the country at the faithlessness and wrong doing of men, who, as officers and managers of our largest life insurance companies, were the guardians and trustees of the widow and orphan. Names that were honored by their fellow-men are now a hissing and a by-word, covered with the deepest disgrace and dishonor. The revelations of wrong doing have been simply astounding. The extent of their robbery is counted by millions, exceeding any thing known in our time. Men, strongly entrenched in office, with a long list of respectable dummy directors at their back, treated the savings of the people as if the money were their own, and there is not only great and wide-spread indignation but a demand for both punishment and restitution. Exposing this evil will make wrong and robbery in high places more difficult, and far less respectable, in time to come.

The revelations of thieving and corruption in the government of most of our large cities make a sickening record for which a new name has been coined. Here, too, there are hopeful signs of awakening and reform, that will grapple with the evil and in due time destroy it root and branch. Civic righteousness should be the watch-word of the people, for if they were as careful of their own interests as they ought to be, a speedy cure would be found for this and other social ills.

The liquor traffic, as represented by the saloon, had become so defiant of law and order, as to be a menace to the well-being of the community. Drinking places became so numerous that it was impossible for them all to live and

thrive in the way contemplated by their licenses, and the dance hall and the privacy of the back rooms were added, where both sexes were drawn into vice and sin, especially the young. The law was winked at or defied. The doors stood invitingly open night and day, seven days in the week. To the honor of our Roman Catholic brethren be it said that they were the first to raise the alarm and undertake the difficult task of meeting and overcoming this evil. Their two Bishops were the leaders in the crusade and when they sought other support from the various Christian bodies, it was readily given. After long and earnest conference, a bill was drafted, and submitted to the Legislature then in session. It met strenuous and bitter opposition from the liquor interest but finally became a law, though shorn of some important features. Most likely it will be compelled to run through the courts. But if it should fail, great good has already come of the effort. Public opinion has been greatly strengthened, and law-breaking diminished. The friends of the measure have organized to continue a campaign of education throughout the state and see that as far as possible, existing laws are enforced. I want to express here my sense of obligation, may I not add, my sincere admiration, for the hearty and unanimous support given by the clergy to this measure in the interests of civic righteousness. The effort was not meant to interfere with personal liberty, but to eliminate certain glaring evils that were a menace to good morals and decency.

The whole world stood aghast at the awful calamity which has befallen the beautiful City of San Francisco and the region round about it. The property destroyed by earthquake and fire can be restored, but the lives lost and the sufferings endured are beyond compensation. The prompt and generous response made in every quarter of the land to the cry of need deserves the highest praise. Our Church has suffered grievous

loss in the destruction of buildings. The oldest and strongest parishes are homeless, while those who built and maintained them are, many of them, stripped of fortune and left in poverty, unable to help in the work of restoration. I have sent what I could spare to the Bishop of California, who has had this heavy burden laid upon him, and stands truly in need of help and sympathy. I trust that both the clergy and laity will do what they can for the relief of their suffering brethren on the Pacific Coast.

As we look about us today, we miss some who were wont to meet and greet us at these annual gatherings. Some of the clergy absent are laboring in other portions of the Master's Vineyard, and two have died during the Convention year.

On the 28th of January, the Rev. Richard George Moses entered into rest, after a brief illness. On his ordination as Deacon he was sent to Grace Church, Merchantville, then a weak mission station, and there he found his life work, leaving behind him a strong parish. During his ministry of twenty-three years, Merchantville has supplied more recruits for the ministry, considering its size and strength, than any other parish in the diocese. Mr. Moses was a scholar of no mean attainments. He was fond of literary work, of reading and writing. He was a member of the Standing Committee for several consecutive years. His modest demeanor and gentle manners won for him both love and favor from those who knew him best. On the Sunday succeeding his burial I ministered to the bereaved flock and confirmed fifteen persons, prepared by him, the last offering of a faithful ministry.

On the 17th of February, The Rev. George W. Harrod, Rector of St. Barnabas' Church, Burlington, was called hence, still in the full strength of a vigorous manhood. When he entered upon his labors he found much to undo as well as much to do, but his eighteen years of quiet, faithful labor accomplished

great things. He endeared himself not only to the members of his own flock, but to the people of Burlington generally, and in return he was highly esteemed and greatly honored by all classes in the community. Rarely has such a demonstration of sorrow and respect been shown to an humble parish priest, as followed him to his grave in St. Mary's churchyard, the resting place of all others which he loved best. Business was suspended and the bells of the city tolled.

Two Bishops have died in the past year—Bishop Davies, of Michigan, and Bishop Morris, of Oregon, both men of mark. Bishop Davies was my very close personal friend for the greater part of half a century. He was a profound scholar and a diligent student of the Holy Scriptures. Sound in the Faith and wise in counsel, he was greatly loved as a priest and Bishop. Bishop Morris died only a few weeks ago at his home in Portland, Oregon, at the advanced age of eighty-seven years. He was the oldest Bishop of the Church in years, and next to the Presiding Bishop by consecration. He went as a pioneer to the extreme frontier of a new country, and he lived to see his original jurisdiction divided, with a strong diocese formed out of the remainder. Those who heard him preach the opening sermon at the General Convention in San Francisco, will not easily forget the vigor of a man past four score, whose voice filled the great church to the last seat, while the matter and manner of his speech won universal praise and commendation from men of widely different views. One after another the House of Bishops that bade me welcome, as its youngest member, has almost gone, only a little company of seven remaining.

Mr. William P. Ellison, for many years Warden and one of the founders of Christ Church, Riverton, remembered his church in his last will, leaving it a legacy of \$5,000 to swell the endowment fund. Mr. Ellison was one of the most noble and generous of men in his life time, that I have ever known,

and in his death he has set an example for others to follow. Mr. Fitler of the same parish left a like amount for the endowment fund, and doubtless other sums will be added from time to time. Had not the rector called attention to the need of an endowment, where the population is subject to changes; these gifts might not have been made or they might have gone in some other direction.

Mrs. Swan, of Trinity Church, Princeton, left the bulk of her estate to the University of that town, but remembered her parish church with a legacy of \$13,000, the income of which is to go toward the rector's salary. The parish has secured by purchase, a large property adjoining their present holdings, so that the enlargement of the church building, so much needed, and so long contemplated, is now made possible, and will doubtless be speedily undertaken. The Rector of Trinity Church, Princeton, whose name stands second in canonical residence on our clergy list, celebrated his fortieth anniversary on Easter Tuesday last, and received from his people many tokens of their love and many congratulations on his long and successful pastorate. Such a record is very pleasant reading in these days of unrest, when twenty resignations of cures are recorded in our own diocese during the past twelve months! I am sure you will all join me in the old classic substitute for God-speed—*"Multos Annos."* As a rule the long rectorship is the most fruitful.

Some years ago Mr. Edward T. Dobbins, of Philadelphia, built the beautiful memorial chapel of All Saints, in St. Andrew's Cemetery, Mount Holly, and by his will he left the corporation the sum of \$10,000, on the interest of which the care of the chapel shall be a first charge. He also left \$5,000 to Grace Church, Pemberton.

Mr. Francis W. Smith, of Philadelphia, gave to Grace Church, Crosswicks, \$1,000 in memory of his deceased father,

who during his life had been a constant benefactor of that parish. The money has been used mostly for repairs and payment of debts.

Mr. Edward Baker, of Birmingham, England, formerly of this diocese and a very dear friend of mine, died suddenly in November last, and I have been notified by his executors that one fourth share of his residuary estate is left to me to use in my own discretion for the work of the diocese. I have had no information as to the value of this bequest, but whether it be much or little, I appreciate more than I can tell this evidence of friendly interest from one whom I esteemed very highly in his life-time.

From this brief record you will see that the past year will be memorable for the number of legacies that have come from various sources to further the work of the Church. We bless God for the good example set by so many, and we pray that others may copy it, in making their last wills, whether they are stewards in much or in little. It was my custom, as the pastor of a large congregation, to remind them every year, and generally on the last Sunday of the year, of the rubrical direction of the Church in the visitation office, as to the duty of making wills in the time of health and strength, and while I claim little credit for myself, I am glad to know that my old parish is well endowed and able to remain where it is, though more and more the church of the poor, while other parishes in the city have been compelled to follow the drift of population or close their doors for lack of support. Let me improve the occasion to remind you all of the duty the Church enjoins of making your wills and leaving a blessing behind you for "sweet charity's sake."

I could name a long list of those worthy to be enrolled here, both men and women, who have gone over to the majority in the past year, as every parish register would show, but I

have thought it good to mention only those who may be regarded as benefactors in one form or another.

There has been but a single addition made to the number of churches in the diocese during the past year. The Classis of the Reformed Church had a mission in the Highlands, which proved to be a failure. The Rev. Mr. Lord, Rector of All Saints', Navesink, first rented the unoccupied chapel, and afterwards bought it and put it in good repair. Where others failed he has been most successful, and the results have amply justified the venture. He has named it St. Andrew's, in honor of him who was first called by the Master and was the pioneer missionary, bringing his brother to Christ.

While church building has practically been at a standstill, improvements and enlargements have been many. Beginning at the southern portion of the diocese, we find St. Simeon's, Wildwood, has become an incorporated parish, with its resident rector the year through. The church has been raised several feet and set on solid stone foundations. Steam heat and electric lighting have been introduced. No aid from the diocese is either asked or given. This is a great advance for this new and thriving settlement, and the future is bright with promise. St. Andrew's Church, Bridgeton, has been greatly improved, inside and out, at considerable cost. On December 7th assisted by the Dean and Rector the church was formally opened and dedicated by a special service.

When the late Rector of St. Paul's Church, Camden, resigned and removed to Richmond, Virginia, the question of a successor was speedily settled by the unanimous choice of the curate, the Rev. Mr. Brestell. I commend very specially this action of St. Paul's vestry, because they chose one who was well known to them, and had won their esteem by faithful service in a lower place, before he was called to go higher. I am glad of such promotion for the clergy of our own diocese. I wish it were more frequent.

St. Augustine's, Camden, was consecrated in June last, free from debt. Adjoining land has been secured for a parish house, held in trust by the Hon. Mr. Powell, our late minister in Haiti, who is greatly interested in the growth and welfare of the parish. The late rector, the Rev. Mr. Phillips, has been transferred to the Bishop of Western New York for work among the colored people in the city of Buffalo, and St. Augustine's is still without a rector.

The improvements at St. Stephen's Memorial Church, Riverside, have been extensive and costly. The parish house has been greatly enlarged and made a memorial of the late beloved rector, the Rev. Peter W. Stryker, who was also the founder of the parish. Mrs. Rodman, who built the church in memory of her brother and sister, proved herself again the generous friend and helper of the work by contributing several thousands of dollars. St. Mary's Church, Burlington, has erected a beautiful transept window in memory of the late Warden, the Hon. J. Howard Pugh, M. D. St. Barnabas', Burlington, is bravely meeting its new responsibilities. A rector has been called to carry on the work of the lamented Harrod and build on the strong foundation which he laid. Trinity Church, Moorestown, has recently added what is practically a new chancel, giving grace and beauty to the whole interior, which has also been renewed and beautified.

Trenton has made long strides. St. Michael's, the mother church of the city, has been renewed and beautified at a cost of many thousands of dollars, aisles and chancel paved with tiles, new windows and furnishings throughout, and rich decorations on the walls. The congregation has worshipped in the parish house for many months and the date for the opening is not set. Trinity church, that was reported last year as having cancelled its indebtedness, was not content to stop there, but at large

cost has added both beauty and utility to the parish church. A new porch, a new chapel and many rich and costly memorial gifts make Trinity almost ideal and leave little to be desired. All Saints' Church has built a parish house of stone corresponding with the church, and seemingly a part of the sacred edifice. The equipment of this young parish, the outgrowth of the Associate Mission, is now very complete. Christ Church has discharged the indebtedness that remained after the enlargement of the nave, and has plans for a tower and a new front of stone. Grace Church has new windows throughout, bearing the names of the benefactors, and former clergymen identified with the parish. St. Andrew's has been enriched by a gift of land. After more than twenty years of faithful labor in St. Paul's Church, the Rev. J. Mc. A. Harding has resigned because of advancing years, and, though still a resident in the diocese, he will be missed from his accustomed place, where he was greatly esteemed and honored by all who knew him. His successor, the Rev. Horace T. Owen, has entered on his task with vigor and promise of success.

The venerable church of St. James', Piscataway, celebrated its two-hundredth birthday on June 21st. A goodly number of the clergy were present, addresses were made, and the Holy Communion celebrated, nearly the whole of the large congregation remaining. St. James' has had for many years the nursing care of Christ Church, New Brunswick. It has a small endowment and has declined mission help. St. Luke's, Metuchen, is freed from an indebtedness of long standing and has put rectory and church in perfect order.

The Rector of St. Paul's Church, Rahway, goes abroad in the early Autumn, to deliver addresses in England under the auspices of the venerable "Society for the Propagation of the Gospel in Foreign Parts," touching the planting and early history of the Church on this continent, as well as its later growth.

He is well equipped for his task and will give the Mother Church a good account of her daughter on this side of the Atlantic.

The Holy Comforter, Rahway, is showing signs of returning life and strength that are most gratifying to those who have waited long for the change to come. St. John's, Elizabeth, has plans and part of the money in hand for a new chancel and a parish house. The rectory has been thoroughly renewed and put in perfect order. Christ Church in the same city has had a unique gift. The entire chancel is wainscoted as high as the base of the windows with very costly Italian marble, a memorial of a mother in paradise, erected by her children as a token of their love. Trinity Church is very happy in the enjoyment of its very beautiful church and parish house. A big hole has been made in the debt, besides a handsome addition to the rector's salary. Grace Church, which led the diocese last year in the size of its confirmation class, is not represented in our account this year. Sickness of the curate and sickness in the parish put double duty on the shoulders of the rector and he was not physically equal to the preparation of a class by the time appointed for my visitation of the parish.

A year ago I reported St. Peter's, Perth Amboy, as just about undertaking a much needed enlargement of the church. I am glad to say the work is completed, and last Sunday was dedicated for its sacred uses.

Mrs. Downes has given to the Trustees of Church Property a good house at Mantoloking, for the use of the minister of St. Simon's-by-the-Seaside, during the summer months, a gracious and most acceptable offering. St. Uriel's, Sea Girt, has received some costly gifts and is nearly free of debt. Holy Trinity, Spring Lake, has a new organ and several handsome memorial windows. Asbury Park and Long Branch both have plans for new parish churches, with good hopes of soon replac-

ing the present dilapidated structures with permanent and enduring modern buildings.

The rector and people of Grace Church, Plainfield, have great satisfaction in their new and commodious parish house, which was nearly completed a year ago and has since been set apart with a special service of benediction. The Holy Cross, North Plainfield, is gathering strength and making rapid progress under its new rector, whom we welcome here to-day as the youngest member of our council by canonical residence. St. Stephen's, Plainfield, has purchased at small cost a family residence well suited as a guild house and for the parish activities.

St. Bernard's Church, Bernardsville, has been doubled in size and a very handsome rectory built on adjoining ground. Both were set apart for their several uses by a special service of prayer and thanksgiving. I must add a word of commendation for St. Bernard's School, Clairvaux, situated at Gladstone. Mr. Conover began the work in a very modest way but with a strong faith. Enlargement has already become a pressing necessity, as there is not room to accomodate the boys anxious to secure its advantages. They are taught farming and the mechanic arts, as well as the spelling book and the grammar. There is the foundation of a great work if only the means are forthcoming for its maintenance and extension.

The late John C. Stevens, of Hoboken, built and endowed Christ Church Home, South Amboy, for the care of orphan or destitute children, to fit them for usefulness in life. The endowment amounts to \$50,000. The present Board of Trustees with a single exception are non-residents of this diocese, to which they think the Home of right belongs. The formal offer of transfer was made to me, but I did not feel warranted in assuming the responsibility without strong backing. The offer is still open and as a mark of good faith I have been chosen a trustee of the Home in order to prove the readiness of the

present trustees either to transfer or gradually assimilate the Home, as an institution of this diocese. I have often wished for a diocesan charity that might enlist the interest of all the parishes, and especially the women, in the conduct of its affairs. St. Mary's Hall is the one solitary institution that is even remotely connected with the diocese. The Bishop is its head and its trustees are chosen from representative Churchmen of the clergy and laity. I am both proud and glad to say that the school has never been as prosperous as it is now, in the year that I have been connected with it. Every room is taken and there is not a vacant place for another pupil. I marvel that some of its early friends have not enriched it with an endowment. Portions of the plant are showing signs of decay and may require more money than the school can afford out of its earnings to restore these. In that case the trustees must ask the help of friends and patrons. It is the oldest Church school in the country and the mother of a generous brood of daughters in nearly every diocese and missionary district in the land. I have my own room in the building so that I have frequent opportunities of knowing the prevailing tone of the house by mingling freely with the teachers and pupils. As a result I am bound to claim for St. Mary's a high place and a high ideal in all that goes to make up a well trained type of womanhood.

In this brief and hasty review of diocesan affairs there is much to cheer and encourage. The clergy list falls a trifle below last year, because there are places unfilled and because there are more clergy than ever before, laboring in the diocese but not canonically resident. The confirmations have been 112. Some of the largest parishes are not represented in this count because, for one reason or another, my annual visitation has been deferred. The ordinations have been few and the list of candidates for Holy Orders has dwindled to small proportions. Four have been transferred to other Bishops and this leaves n

with a small remainder. The scarcity of candidates is a very general complaint throughout the Church.

The Woman's Auxiliary to the Board of Missions has long since passed beyond the experimental stage and is doing a most efficient though quiet work, here and everywhere. At the recent annual meeting of both upper and lower divisions in Trinity Church, Trenton, on St. Mark's Day, there was assembled a large representative body from nearly every parish and mission, who greatly honored the Bishop of the Diocese on his seventy-fifth birthday and marked the occasion by a generous and substantial gift. On the same evening at the closing service in St. Mark's, Hammonton, the congregation assembled in the parish hall to offer congratulations and bestow a beautiful memento of the occasion. It is worth while growing old to feel the ties of affection strengthened and drawn closer, after well nigh a third of a century of continuous service.

The women and children have nobly set the pace for the men in their help of the Church mission work and it is hoped that the men will not fall behind, when the thank offering is counted in Richmond next year. I am sorry to say the friends of the effort have small cause for encouragement in the weakness of zeal thus far manifested. None can plead ignorance, for information has been freely and widely circulated by the committee in charge. Surely this diocese, which is among the oldest and was made to share largely and generously in the earliest missionary efforts on this continent, will not be remiss in evidencing gratitude for the blessings of the past. While the gift is asked only of the laymen, is it asking too much of the clergy that they will do all in their power to incite to zeal and activity and not wait for a more convenient season?

After a good deal of fault-finding and criticism the apportionment plan has won its way to favor and is generally accepted, so that a round million of dollars is made available for

mission work the world over. In this diocese, too, there are few complaints heard and systematic giving is growing in favor for all objects, within and without the parish. Where it has had a fair trial it has rarely failed.

The Lenten noon-day services have become very popular as well. Under the auspices of the Brotherhood of St. Andrew. St. Paul's Church, Camden, was opened for a brief mid-day service every one of the forty days, rain or shine, and the experiment proved eminently successful. It is hoped that this good beginning will be continued in coming years and that other cities will copy so good an example.

A reprint of the caons will be needed before long, as the present edition is well nigh exhausted. The carefully prepared forms for the various steps in the formation and incorporation of parishes furnished by the chancellor and printed in the last copy of the Convention Journal should find a permanent place with the printed laws. They are most useful and convenient guides, where accuracy is most important.

The diocese is growing steadily in strength and numbers in spite of discouragement here and there. Frequent changes of cure I count as one of the chief hindrances to growth in our missions and small parishes, and yet who can blame the clergyman, struggling with poverty and trying to support and educate a family on \$500 or \$600 a year, for wishing to better his condition? I often wonder how some of the ill paid clergy are able to make ends meet when we consider the great increase in the cost of living! A sustentation fund that would increase the smallest stipend to \$800 or \$1,000 a year would greatly diminish clerical changes and tend to give continuity and steadiness to the work of the parish or the mission.

There has been a great advance made in the past year in the direction of a general divorce law for the states and territories of the Union. Our Chief Magistrate, whose voice is

always lifted up in defense of the purity and stability of the family, has spoken in terms of unstinted condemnation of the present loose methods of divorce. The governor of the neighboring commonwealth of Pennsylvania called together the governors of all the states, with others, who were deemed experts on social questions, to counsel together for the betterment of present conditions, and if possible, come to some agreement as to the terms on which divorces should be granted. And last of all, comes the decision of the Supreme Court that a divorce can be lawfully granted only in the State or Territory where both parties have domicile. This is a death-blow to that custom which permits either party to gain a residence and a divorce on easy terms. Not only is there a truce to traffic in divorces so obtained but a cloud is cast over marriages contracted after such divorce.

There are important issues before the Church to-day, touching the very foundations of the Faith. Criticism seems to have run mad, and it is no longer a question of textual purity or of the interpretation of the Word of God by scholars or by schools of thought in the Church that causes unrest and anxiety. It is the bold and defiant denial of the great underlying facts of the Faith as defined and settled by the Creeds of Christendom. There may be trying times in store for the Church in the near future; for there seems to be not one here and there among the clergy, but a party which scoffs at authority and teaches strange doctrines, while eating the Church's bread, and because they are men of clean life, and honest report, both they themselves and their friends claim that these sterling qualities of life and character should condone their false teaching. But it is not at all a question of character, it is a question of simple honesty as to vows voluntarily made and deliberately broken. Self preservation is nature's first law, and the Church must exercise her discipline in self defense and in defense of the

Faith, which she holds and teaches by her creeds and liturgy. No one who denies the fundamental verities should be permitted to minister at her altars. Whether the truths which the Church accepts and teaches, as such be right or wrong, is quite aside from the principle at stake. If any one is unwilling for conscientious reasons to "minister the Doctrine and Sacraments and the Discipline of Christ, as the Lord hath commanded and as this Church hath received the same, according to the Commandments of God", there is only one alternative left for him. If the Church is not willing to change or modify her accepted body of truth, then the denier, to be consistent, should shake the dust off his feet, and seek more congenial companionship. This is neither the time nor the place to enter into the details of questions that are troubling the Church and must sooner or later demand to be met and settled. Thank God the men of this diocese, so far as I know them, are in no need of warning. They are both loyal and true to the standards of the Church. I ask you to use more diligently that petition of the litany which voices the Church's standard of orthodoxy, "From all false doctrine, heresy and schism, Good Lord deliver us."

CONVOCATION OF BURLINGTON.

DEAN'S REPORT.

A full report of the work done within our limits would show possibly a reason for boasting and self-satisfaction. But when we look at the work left untouched, we ought to be filled with humility.

The changes in the stations served are very slight, as we have added to our list one of our old places,—Waterford. Among the workers, we have lost by removal, Rev. Mr. Phillips after several years in Camden. Rev. Mr. Long removed from Vincentown, leaving Medford and Pemberton vacant.

The work in Bridgeton has been marked during the year. Substantial improvements and repairs have been made to the Church building, and much interest is taken in the services.

St. Augustine's, Camden, is vacant, and while the work is continued, it will not be as thorough and strong as it should be until a missionary is again settled among them.

At Chew's Landing, the missionary makes himself felt throughout a wide extent of country, ministering to Magnolia, Clementon, and West Berlin. It is a large field but it is ministered to by your missionary.

Crosswicks by means of a legacy has made improvements on its property. The services are rendered by the Associate Mission.

Medford is temporarily connected with Lumberton, while Pemberton may be reached from Vincentown, possibly.

Mullica Hill is connected yet with Paulsboro and Mantua, the missionary giving to each place far more services than he would be expected to give from their widely separated locations. He does his work well.

Palmyra, owing to changes, was not able to relinquish aid, but such progress is being made that we trust it will soon become independent.

Waterford, which was practically in ruins, has given signs of new life, and services are being maintained under the care of the Rector of Hammonton.

Millville has been provided with regular services, and I have taken care

of all Parish duties, but only because I could not find one willing to go there and live on the stipend which they could give in connection with our aid. I hope now soon to be able to report this work settled.

The above Missions are aided by Convocation. But they are only a part of the work which is being done often at the cost of considerable sacrifice on the part of the clergy in their Parishes.

The Church of the Advent, Cape May, has now its settled minister, and the work shows the great need that existed there for years.

Wildwood has become an independent Parish, and has its own Rector with a strong working force of Church people.

At Dorothy, we have given occasional services, but the place is deserted by those who have built the church, and in their places have come an element of foreigners, who have no interest in our work.

At Pleasantville, there is an encouraging outlook, but Dr. Spaulding has felt it necessary to have relief from the burden.

Laurel Springs is ambitious to have a Church building for themselves and is making efforts which I am sure will be successful.

Haddon Heights shows substantial progress, and must become a strong point from its location near the city.

Penn's Neck is united under the Rector of Salem with its nearest Parish.

Maple Shade, since the death of its founder, must be cared for by Merchantville, or its good laymen.

Columbus is connected with Mt. Holly; Rancocas with Beverly; Shedakers with St. Mary's, Burlington; South Vineland with Vineland.

The Mission at Riverside has become an organized Parish with its Rector, who also cares for Fairview. This has been made possible by the aid so long given by a surviving sister of whose brother and sister the Church is a memorial. This is a striking example of the wise aid given in upbuilding a small mission.

The vacancy in the rectorship at Gloucester leaves the Church at Westville simply as under the care of the Parish.

There are many other points where the clergy are giving services on very small stipends, and they are doing missionary work, but they cannot be reported as our missionaries.

New points are opening, and the prospect of a number of these being increased on certain lines of railway where the roads are being electrified, places upon us the necessity of being ready to minister to souls in the field where our responsibility is personal. We must have more means however before we can undertake any new work. You must see the need.

The statistics are as follows: Sunday Services, 1,038; other days, 378; Adult Baptisms, 15; Infants, 55; Pastoral calls, 2,310.

Respectfully submitted, with the request that this report be read as directed by Canon.

C. M. PERKINS,
Dean.

Appendix IX.

CONVOCATION OF NEW BRUNSWICK.

DEAN'S REPORT.

A full exhibit of the condition of the Missions under our care must include the several particulars of attendance at the Services, the number of Baptisms, Confirmations and Communion, the state of the Sunday Schools, and the amounts contributed in each for local support and general benevolence.

In many of our Missions the attendance has been larger than in previous years, and the people have also shown a greater interest in the Services. This is true not only of our growing villages and towns, where an increase in attendance might naturally be expected, but also in places where the population is stationary, and where the growth more surely evinces an improved spiritual condition. Some exceptions must indeed be made to this general view of things, for there are a few places where the attendance has been smaller than in former years, owing either to a decrease in population, or to the lessening in our pastoral labors which has unavoidably occurred. On the whole, however, we are able to report a gratifying increase in the number of people we have reached and in their appreciation of the work undertaken in their behalf. We have been especially encouraged by the gain made at St. Mark's, Carteret, Holy Comforter, Rahway, Holy Cross, Perth Amboy, Heavenly Rest, Plainfield, Calvary, Flemington, St. James, Wilbur, Holy Innocents, Dunellen, and the seashore group of Missions—Sea Girt, Belmar and Allaire. One who has long known the latter place, recently remarked: "The Church at Allaire has better attention and is in more promising condition than at any time during the thirty years of my connection with it." We are unable to report any improvements in the Missions at Sand Hills and Clinton, in neither of which have we been able to do more than "hold fast that which we have, that no man take our crown". The aggregate attendance at twenty-four places served by the Associate Mission is 24,337.

We are glad also to report an increase in the number of Baptisms and Confirmations in several of the Missions within our limits.

Statistics are not always a reliable test of the condition of missionary

work, but we have no other available gauge by which it can be determined; and applying the test to our own labors, it indicates an increase in spiritual fruitfulness for which we should be thankful. Confirmations have been held at Sea Girt, Allaire, Carteret, Matawan, Monmouth Junction, Perth Amboy, Wilbur and Plainfield; and classes are in course of preparation at Rahway and Scotch Plains. There would be a greater harvest of Baptisms and Confirmations from the labors of the Associate Mission if its staff were large enough to permit the clergy to spend more time in pastoral ministration to the people committed to their care, and thus combine the advantage of a settled pastorate with that of the itinerant system we employ. During the year the Associate Mission lost from its working staff the Rev. Samuel N. Craven, the Rev. H. W. Brueninghausen and the Rev. Robert T. Walker; but the Diocese still has the benefit of their labors in other spheres of duty. The places made vacant by the resignation of these three brethren have been filled, and it is hoped that after the Spring ordinations others will be added to the Mission staff, and that we will then be better equipped for aggressive work than for some years past. The Clergy now in residence at the Mission House are the Reverends M. B. Nash, R. A. Smith, C. H. Doupe, E. H. Fulton, T. E. Owens; and their labors are supplemented by those of the Rev. William R. Mulford, who has charge of the Mission at Garwood, and by the assistance of a number of lay readers who are employed from time to time as the occasion may require.

The Dean is unable to report the number of Communion which have been made during the year, but "the Most Comfortable Sacrament" is duly administered in most of the places where Communicants are found, and this has contributed much to the edification of the faithful.

No part of our Missionary work is more important than the religious instruction of the young, and the general increase of interest in our Parishes in this department of the Church's duty has extended to our Missions. In some of the Missions, in which the Sunday School had been allowed to lapse, the schools have been resumed; and others, where the work had languished, it has taken a fresh start, and is being prosecuted with energy and zeal. Thus after a period of cessation, schools have been begun again at Flemington and Crosswicks; and after a season of decline, they have been reorganized and revived at Wilbur and Rahway.

There are 70 teachers engaged in instructing the children committed to our care, and there are 87 scholars receiving the benefit of their teaching.

It is much to be desired that this department of our work might receive more attention in the future than we have been able to bestow

upon it in the past, as the hope of the Church in many places lies chiefly in the training of the young in Sunday Schools.

Although unable to state the amount of money given for Parochial, Diocesan and General purposes—this is not reported to the Dean—yet we are glad to note an improvement in the offerings and general financial condition of most of our Missions. Several are doing more for the support of their services than ever before; all have paid their Convocation apportionment in full, have contributed something to the Bishop's Advent Fund, and have made liberal offerings for the Children's Lenten Missionary Fund. In this they have set an example which some of our more favored Parishes might well imitate. There has been marked improvement in the givings of the Holy Comforter, Rahway, the Holy Cross, Perth Amboy, Holy Innocents, Dunellen, and St. James, Wilbur: St. Uriel's, Sea Girt, has paid \$500 on its debt, given \$500 more for an additional lot, and will soon make further reduction of its indebtedness. The offerings at Dunellen have been more than \$300, and, in addition to this, \$100 has been spent in painting and repairing the church. At St. Augustine's, Asbury Park, the people, with commendable zeal, are making strenuous efforts at self-support. At Garwood a considerable amount has been raised for the building of a Chapel, and at Trenton Junction funds are being gathered with the same end in view. Holy Cross, Perth Amboy, has been under considerable financial strain to meet the cost of street paving, sidewalk and other improvements of the property, but has been liberally aided by St. Peter's Parish, and has raised all necessary funds. Nearly \$600 has been expended. All Saints', Scotch Plains, is steadily reducing its debt, and the cost of restoration of Trinity, Hightstown, has been wholly paid. The Dean regrets to report that owing to the serious and prolonged illness of the incumbent at Hightstown, there has been some interruption of the services there, but he trusts that the Missionary's health will soon be restored and that the services will be held with their wonted regularity.

The Missionary work undertaken by the Parishes without aid from the Convocation is steadily growing, and must result in time in the establishment of new Parishes in some of the towns and cities in which it is conducted.

A new Mission has been started at Parkertown by the Rector of the Church at Navesink, and here eight were confirmed at the visitation of the Bishop. Steps have been taken to purchase a property for this Mission from the Dutch Reformed Classis to which it belongs. Services have been begun at Jamesburg, where a number of Church people have been found. A new Altar has been given to Trinity Chapel, Princeton Basin, and the Chapel has been carpeted, and newly painted within and without.

The Dean would again commend our Convocation work to the liberality of the Parishes, and ask for it their systematic offerings, and ceasing prayers.

He adds a summary of statistics gathered from the Reports sent him.

Appendix XI.

REPORT OF THE NEW JERSEY BRANCH OF THE WOMAN'S AUXILIARY.

The thirty-first annual meeting of the New Jersey Branch of the Woman's Auxiliary to the Board of Missions was held in Trinity Church, Trenton, Wednesday, April 25, at 10:30 o'clock.

There was a celebration of the Holy Communion by the Bishop, assisted by the Rev. Mr. Schuyler, rector of Trinity Church.

The Bishop, in a short address, commended the women for the work they had accomplished during the past season, and for their energy and faithfulness, all the more praiseworthy in that it is at all times a voluntary service.

Mr. Schuyler extended a most cordial welcome to the Auxiliary on behalf of himself and his parish.

At 12:30 the business meeting was organized, Mrs. Clark presiding.

Over two hundred delegates responded to the roll call.

Reports of the Secretary and Treasurer were read and accepted.

The President appointed Mrs. Arthur S. Phelps and Mrs. E. B. Joyce to collect and count the ballots.

The meeting then adjourned for luncheon.

After the guests had enjoyed the bountiful hospitality, before leaving the dining room, the Bishop offered a resolution of thanks to the rector and ladies of Trinity Church, which was responded to by a rising vote.

The afternoon session opened at 1:45 o'clock, at which time the Rev. Mr. Clark of South Dakota, made a short address on the subject of Indian Missions.

The report of the tellers, appointed to count the ballots was made; it showed the ticket as presented by the Nominating Committee was unanimously elected, and the Board remains the same as last year.

The reports of the several Vice-Presidents were presented as follows:

Domestic Missions	\$3,948 87
Foreign Missions	926 00
Indian Missions	748 26
Diocesan Missions	153 26
Work among colored people.....	1,137 67
Mexican Work	291 00
	<hr/> \$7,205 06

The Junior Auxiliary reported the value of boxes and money given \$922.00, and the Babies' Branch \$151.72, which being added to the above figures makes a total of \$8,217 66.

The appropriations from the Ten Cent Assessment Fund were as follows:

General Missions	\$50 00	
Indian Missions	50 00	
Foreign Missions	32 00	
Foreign Missions, Brazil.....	10 80	
Mexican Work	35 00	
Missionary Lending Library.....	10 00	
		<hr/> \$187 80

Miss Edwards gave a very encouraging report of her work as Vice-President of Mission Study. Mrs. E. C. Grice, formerly Vice-President of Diocesan Missions, made a short address on the spiritual side of Missions; the need of elevating the power of prayer above the giving of money.

On a motion of Miss Townsend it was *Resolved*, That a "Day of Devotion" shall hereafter be an annual feature of the Auxiliary's work, and that it shall be held the first week in Advent.

On a motion of Mrs. Abbey it was *Resolved*, That the work heretofore known as Freedmen Missions shall in future be designated as work among colored people.

Respectfully submitted,

HATTIE P. TAGGART,
Secretary.

Albert Lucas, rector's warden for some years, died on April 10, 1906. By his death the Parish has lost a valuable and true friend. Services have been continued every Sunday evening at the Church of the Atonement, Laurel Springs, during the past year. The financial statement, communicants, baptisms, etc., are included in the above report with the exception of the amount of money raised for a building fund, which is \$152.40. A plot of ground has been given to the parish. A concrete block machine has been purchased and it is hoped soon to begin the erection of a modest church for services, for which outside aid will be needed. We worship now in a hired hall.

Of the receipts, \$10,000 was for the Endowment Fund, established in 1904, being two legacies of \$5,000 each, from Mrs. N. M. Fitler and Lillian P. Ellison. They have both been paid within a few months, and have just been invested. The expenditures were greater than the receipts owing to the payments made for improvements which were provided for by Easter Offerings of 1905, and reported last year. We have on hand and included in the above a fund of \$765 for tiling the church aisles. This is to be a memorial to our late Senior Warden, William P. Ellison, who served as Vestryman ever since the incorporation of the Parish, June 9, 1860.

No Confirmations are reported for the past year for the reason we have been worshipping in the Parish House during the time the church has been in the hands of the decorators. That period is about concluded now, and we hope to re-enter the church not later than Whitsunday. A class is now ready for confirmation. The church is greatly beautified, and at a cost somewhat beyond \$7,000.00; no part of which is included in the Parochial receipts as noted above.

The church was reopened Sunday, October 15, and a special service of dedication was held on October 26, when the Bishop of the Diocese blessed the new additions and memorials. During the past six years the Parish has raised nearly thirty thousand dollars for the payment of debts and betterments.

The Parish was started as a summer chapel in 1899, by the Rev. Edgar Cope, of Philadelphia, and was continued as such until September, 1905, when, with the consent of the Bishop, it became a self-sustaining, all year church. The complete organization was effected March 31, 1906, by the election of Wardens and Vestrymen, and by the adoption of a resolution to incorporate the Parish. The Rector has served the church as substitute for Mr. Cope during three successive summers; he was appointed priest-in-charge by the Bishop, last September, and after the formal organization had been completed, he was elected its first Rector. The church has never received aid from Convocation.

CLERICAL REPORTS.

(For Addresses, see Alphabetical Clergy List.)

THE REV. E. C. ALCORN.—Since the beginning of the Convention year I have been engaged in "Supply Work" almost constantly, except during the months of October and November. I was at the Church of the Holy Cross, New York, for about six months; one month at St. Edward the Martyr's, New York; one month at Sea Isle City, N. J., officiating at All Saints' Summer Home for the Sisters and inmates of the home and others who attended the Sunday services.

THE REV. C. A. BREWSTER.—I had an agreement with the Bishop of Southern Florida to take charge of two churches in his Missionary jurisdiction, during the fall, winter and spring of 1905 and 6; but owing to a serious and painful accident to Mrs. Brewster I was detained in Newark, N. J., from November 10th to March 19th. During this period I assisted, officiated and preached in Newark as opportunities presented themselves to me. Since my return to Orange City, on March 24th, I have had charge of two churches and will continue to have the same until I go North for the summer.

THE REV. CHARLES E. BETTICHER.—After giving up the charge of the Church of Our Saviour, Camden, last fall, I sailed on the 26th day of September for Italy, arriving in Rome about the middle of October, where I spent the winter and assisted the Rev. Dr. Nevin at our American Church. I am now on my way to Germany, but I have promised to return to Rome, D. V., the latter part of May and take entire charge of St. Paul's American Episcopal Church until October 1st.

THE REV. FRANCIS B. CHETWOOD.—I would respectfully report that during the last Convention year I have resided at St. Johnland. My ministerial work at St. Johnland has consisted of saying the morning service on week days occasionally. For a few weeks, also, I acted as temporary Protestant Chaplain at the Kings Park State Hospital for the Insane, administering Holy Communion in private once a

saying the Burial Office twice. I also administered the Holy Communion and preached at Emmanuel Mission, the Bronx, New York City, on Easter morning.

THE REV. F. B. CROZIER.—I respectfully report that since my last report I have officiated in Trinity Parish (Trinity Church) New York, and my official acts have been recorded in that church.

THE REV. W. MONTGOMERY DOWNEY.—During June, July and August I had charge of Christ Church, Harrison, N. J., during the rector's absence in Europe. During September, October, November and December I assisted the Rector of the Church of St. John the Evangelist, New York City, and during the past Lent I assisted the Rector of St. Mark's, Brooklyn, N. Y. The Rector, Vestry and people of the latter Parish desire me to remain with them, and I have accepted the position of assistant minister for one year.

THE REV. JOHN D. FERGUSON.—During the year my ministry has been confined to the Chaplaincy of the New Jersey Home for Disabled Soldiers.

THE REV. FREDERIC GREAVES.—I still continue as for the last two years Priest-in-charge of Holyrood Church, New York City, performing the various duties that devolve upon me in that position, the details of which are reported to the Bishop of the Diocese.

THE REV. J. McA. HARDING.—From the time of my resignation of St. Paul's, Trenton, until December 3, I attended services at the various churches in Trenton, usually taking part. On Advent Sunday I took charge of St. Andrew's Mission as Associate Rector of Grace Church, continuing there till the last Sunday in March. Celebrated the Holy Communion on Easter Day, and in the evening was present at Grace Church. Since that time I have taken part in occasional services at various places.

THE REV. WM. R. HARRIS.—I respectfully report that with your permission, and by appointment of the Rt. Rev., the Bishop of Albany, I have during the year past continued to minister as priest in charge of Gloria Dei Mission, Palenville, N. Y.

THE REV. LOUIS K. LEWIS respectfully reports that during the past Diocesan year he has officiated every Sunday, his official acts being duly recorded in the churches where he has been engaged.

TITLE I.

CANON I—SEC. 2.

OF THE TESTIMONIALS TO BE GIVEN TO LAY DEPUTIES.

The certificates of the election of Lay Deputies shall be in the following form:

[Name of the Church, the place and date.]

This certifies that at a meeting of the congregation of this Church, for the purpose of electing Church Officers and Deputies to the Convention (or for the purpose of electing Deputies to the Convention, if the meeting be for that object alone), A. B., C. D., and E. F., being members of the congregation and communicants of the Church, were duly chosen to represent the parish in the Convention for the year ensuing. In testimony of which I have hereunto set my hand (or if the two Wardens subscribe, *we have set our hands*) the day and year above written.

N. B.—The signature of either the Rector or the Secretary of the Vestry is sufficient. If neither the Rector nor the Secretary signs, then the signatures of *both Wardens are necessary*. [A Clergyman who is simply a Minister-in-Charge, or Missionary, cannot sign.]

In the case of a congregation organized under Trustees, the certificate may be signed by two Trustees, in lieu of the Wardens.

The Lay Representation is limited to three Deputies, whose names should be carefully and legibly written.

This certificate is to "be transmitted to the Secretary of the Convention AT LEAST TEN DAYS BEFORE THE MEETING OF THE ANNUAL CONVENTION."

In order to secure this, the Secretary will forward a blank form to every Parish, and he earnestly asks the PROMPT attention of the Clergy.

In Article IV, Section 3, of the Constitution, it is provided that "*the Deputies, with their alternates, shall be chosen by the Congregation from the male communicants thereof, and no Lay Deputy shall represent more than one Parish*"

THE NEXT CONVENTION OF THE DIOCESE OF NEW JERSEY WILL BE HELD, GOD WILLING, IN CHRIST CHURCH, NEW BRUNSWICK, BEGINNING ON TUESDAY, MAY FIFTH, ONE THOUSAND NINE HUNDRED AND EIGHT, AT HALF-PAST TEN O'CLOCK A. M.

The Committee, appointed to consider plans for the Organization of Missions, reported as follows, and the report was referred to the Committee on Constitution and Canons:

The subject of the Organization of Missions has been presented to each of the two Convocations, for their consideration and for recommendations. All suggestions made, together with the business submitted, have been carefully discussed in several well-attended meetings.

While the necessity of some provision for the Organization of a Mission and for defining its relation to the Diocese is generally recognized, no plan has been proposed which does not involve amendment of the Constitution of the Diocese and a change in the fundamental law. At the present time, the Committee does not feel warranted in suggesting a canon that will require such constitutional change to be made.

The Committee, however, recommends the following as a provisional plan for the Organization of a Mission, and suggests that it be inserted among the forms approved by the Convention of the Diocese:

Any Mission Station, if recommended by the Executive Committee of the Convocation, may be formed into an Organized Mission by the Bishop of the Diocese: *provided*, a written application shall have been presented, signed by at least ten adult baptized persons resident in the

town or district where the Mission is to be located; *provided* also, that no Organized Mission shall be formed within the limits of an existing Parish, except in conformity with Canon IV, Title II, of the Canons of the Diocese.

The Form of Application shall be as follows:

To the Rt. Rev....., the Bishop of New Jersey:

We, the undersigned, baptized persons, residents of in the county of, in the Diocese of New Jersey, do respectfully request to be made an Organized Mission under the authority of the Diocese of New Jersey, to be known as Mission; And we, hereby, promise obedience to the authority of the Diocese and conformity to the Doctrine, Discipline and Worship of the Protestant Episcopal Church in the United States of America.

When the application is granted, the Bishop shall appoint not less than three or more than six adult baptized persons, who with the Missionary in charge, shall constitute the Committee of the Mission. This Committee, from their own number, shall choose a Secretary and a Treasurer; and annually, before the meeting of the Diocesan Convention, shall make a report to the Dean of Convocation, of the finance and all other affairs of the Mission.

Herewith the Committee requests to be discharged from further consideration of this business.

Signed:

Executive Committee Convocation of New Brunswick,

A. B. BAKER,
AUG. A. DEVOE,
ROBERT W. TRENBATH,
W. DUTTON DALE.

Executive Committee Convocation of Burlington,

C. M. PERKINS,
R. BOWDEN SHEPHERD,
J. BINGHAM WOODWARD,
JAMES STODDARD, *Chairman*.

On motion of the Rev. Dr. Jones, it was unanimously

Resolved, That, inasmuch as it is not always possible to designate the so-called "innocent party" in a divorce, this Convention expresses the opinion that none of its clergy shall give the Church's benediction to the marriage of any person divorced for any cause whatsoever.

The Rev. James Stoddard moved the following, which was adopted, the Right Reverend the President afterward appointing as the Committee named in the resolution, the Rev. James Stoddard, the Rev. R. E. Brestell, the Rev. E. B. Joyce and Messrs. Warren R. Dix and John N. Carpenter.

Whereas, the annual Diocesan Convention is growing larger, increasing year by year, until the entertainment of the deputies has become a burden greater than one parish should bear;

Resolved, that a Committee of five be appointed to consider the advisability of changing the existing custom of entertaining the Convention and report to this Convention.

On motion, adjourned.

• TUESDAY, MAY 14, 8 P. M.

At Trinity Church Holy Communion was celebrated especially for graduates of the General Theological Seminary. The Celebrant was the Rev. Hamilton Schuyler, Rector of Trinity Church, assisted by the Rev. Edward J. Knight, Rector of Christ Church, Trenton.

Morning Prayer was said at 9 o'clock by the Rev. Samuel Ward, Rector of St. Simeon's-by-the-Sea, Wildwood.

At 10 o'clock the Right Reverend President took the chair and called the Convention to order. The Secretary called the names of the members who were not present on the preceding day.

Tuesday's minutes were read and approved.

The Right Reverend the Bishop of Newark, being in the house, was invited to a seat with the Presiding Officer, and briefly addressed the Convention.

On motion of Mr. James Parker, the following resolution was adopted by a rising vote :

Whereas, this is the Fiftieth Anniversary year of the Ordination of Bishop Scarborough to the Diaconate of the Church : be it

Resolved, That the Convention congratulates him upon this long service as an officer of the Church, and expresses the hope that many years of usefulness in the Sacred Ministry may be in store for him.

The hour having arrived for the election of Standing Committee and other officers, under the Rules of Order, the Bishop appointed the Rev. W. Dutton Dale and Mr. A. D. Russell as tellers of the clerical vote, and the Rev. H. H. Sleeper, Ph.D., and Mr. W. R. Dix as tellers of the lay vote.

Ballots by orders were then taken for the Standing Committee and the tellers reported the election of the following:

The Rev. A. B. Baker, D. D., the Rev. J. F. Olmsted, B. D., the Rev. H. M. P. Pearse, the Rev. C. M. Perkins, Mr. D. G. Baird, Mr. Francis Collingwood, Mr. Charles Townsend, Mr. J. B. Woodward.

Mr. Taylor having requested the withdrawal of his name, and there being but three nominees, the Secretary was instructed to cast the ballot of the Convention for the following as members of the Committee on the Episcopal Residence, and they were duly declared elected: Messrs. J. Bingham Woodward, Joseph H. Bruere and H. M. Slack.

The Convention then proceeded to the election of Deputies to General Convention, the Right Reverend the President appointing as tellers of the clerical vote the Rev. A. S. Phelps and Mr. John J. Reese, and as tellers of the lay vote the Rev. E. J. Knight and Mr. John B. Osbourn. The following, on receiving a majority, were declared duly elected:

Clerical Deputies—The Rev. A. B. Baker, D. D., the Rev. W. Strother Jones, D. D., the Rev. R. Bowden Shepherd, the Rev. James Stoddard.

Lay Deputies—Mr. John N. Carpender, Mr. Wm. D'Olier, Mr. Harry Humphreys, Mr. Charles Ewan Merritt.

The Convention then proceeded to the election of Supplementary Deputies, the following being nominated and elected in the order named:

Clerical—The Rev. Hamilton Schuyler, the Rev. Robert MacKellar, the Rev. O. A. Glazebrook, D. D., the Rev. H. H. Oberly, D. D.

Lay—Mr. Haley Fiske, Mr. James Parker, Mr. Franklin B. Levis, Mr. R. H. Woodward.

The Rev. Mr. Stevenson, on behalf of the Special Committee appointed to consider the proposed change of section 10 of the supplement to an act entitled "An act to incorporate trustees of religious societies" (revision), moved the following:

Resolved, That the Secretary of this Convention be requested to forward a certified copy of the resolution under which this committee was appointed to the Convention of the Diocese of Newark and request their action on the matter involved.

Mr. Parker moved as a substitute the reference of the entire statute law to the Special Committee, to act conjointly with a similar committee from the Diocese of Newark. The substitute was, on motion, laid on the table, and the resolution of Mr. Stevenson adopted.

On motion of the Rev. Mr. Perkins, the proposed Title II, Canon II, "On Election of Church Officers" was adopted, after certain changes had been made.

(See Appendix VII.)

The Finance Committee presented the following report, which was accepted, and the recommendations included in the report adopted:

The Finance Committee beg leave to report, that they have made their estimates for the amount of expenses of the Diocese for the fiscal year, and offer the following resolutions:

1. *Resolved*, That the Canonical assessment of seven per cent. be made upon their salaries, as reported of incumbents of parishes that have not given their bonds to the Trustees of the Episcopal Fund or otherwise contributed to said fund.

2. *Resolved*, That an assessment of two per cent. be made upon the parishes in accordance with salaries of incumbents, to meet the necessary expenses of the Convention.

3. *Resolved*, That the Trustees of the Episcopal Fund remit the balance due to April 1, 1907, from Trinity Church, Asbury Park, for interest on its Parish bond, upon payment of \$168.

Committee.

The Finance Committee, to whom had been referred the matter of devising a new method of raising the Diocesan apportionment for the Episcopal Fund, reported progress and asked to be continued for another year, and on motion the Committee was continued.

On motion of the Rev. Mr. Atkinson, it was

Resolved, That a Commission for Missionary Apportionment be appointed by the Chair, to consist of three clergymen and two laymen; whose duty it shall be to receive financial statements, to redress grievances and to make equitable apportionment among the parishes.

Under this resolution the Bishop appointed as the Committee the Rev. J. R. Atkinson, the Rev. W. Dutton Dale, the Rev. E. J. Knight, and Messrs. Charles E. Merritt and John B. Osbourn.

On motion of the Rev. Mr. Shepherd, it was

Resolved, That the Treasurer of the Diocese be authorized to pay to the Bishop of the Diocese \$300 annually to cover his travelling expenses.

On motion of Mr. D'Olier, it was

Resolved, That the Rectors of the Parishes of this Diocese be requested to devote the collection of the Third Sunday in Trinity to the Men's Thank-Offering—and make all possible effort to have this collection as liberal as possible.

The hour of adjournment having arrived, the Convention then took a recess until 2.30 P. M.

WEDNESDAY, MAY 15, 1907. 2.30 P. M.

The Convention reassembled at 2.30.

The Rev. Mr. Knight presented the following report of the Sunday School Commission:

The Sunday School Commission begs to report that we have had several meetings during the past year. We have increased, somewhat, our knowledge of the actual state of the Sunday Schools of the Diocese, and we have gathered a goodly number of sample lessons and other teaching material, together with methods of enrollment, etc. The materials, now in hand, will enable us to help those who are striving to increase the efficiency of their Sunday School work. We held a Sunday School Institute at Christ Church, South Amboy, for the parish of that locality. The neighboring parishes, for the most part, were represented. Teaching methods were demonstrated, and various matters pertinent to the Sunday School were freely discussed.

We also held a Sunday School Exhibit at St. Paul's Church, Camden. The exhibit was prepared with great care, and it contained many properties of decided value. A number of these properties were loaned from the Model Sunday School connected with the Teachers' College of Columbia University, and they were very suggestive and helpful to Sunday School workers.

At various meetings of the Commission the idea of a Summer School for teachers and officers of our Sunday schools has been discussed. We have been of an opinion that the idea is a good one, but practical difficulties have always arisen to prevent our taking any definite action along this line. We have, however, been invited by the New Jersey State Sunday School Association to take part in the School of Methods to be held at Asbury Park for one week beginning on Saturday, July 6th, of this year.

The invitation of the Association was most courteous and generous. We were asked to appoint some one to represent us, the appointee to be given a place in the teaching faculty of the school, having the same rights and privileges as all others. Definite hours are assigned for our representative, when it shall be his duty to point out to the teachers and workers in Church Sunday Schools the application of the Church Year, the Catechism, Prayer Book, etc., of the method demonstrated.

We consulted the Bishop before taking action upon this proposition and after receiving his hearty approval we decided to accept it. We have appointed the Rev. Thomas A. Conover, Rector of St. Bernard's Church, Bernardsville, who has kindly consented to act. We believe this School of Methods can be made of great value to the teachers and officers of our Schools, and to the Clergy of the Diocese generally. Some of the best specialists in Sunday School work throughout the country have been engaged, and the courses comprehend all grades from Beginners on through to Bible Class Study. The School's

for the week is but two dollars. We believe it would be an excellent investment if many of our Schools could arrange to send one or more teachers.

The Commission's work is hampered by a failure, from time to time, to get a representative meeting of those who compose it. The members are from various parts of the Diocese, and it is difficult to find a suitable time and place to meet. We are so constituted, however, that we can take no action save when acting as a whole. To overcome this difficulty we would suggest that the Commission be enlarged, somewhat, as to numbers, and that it be divided into four groups—two for each Convocation—each group having authority to act within a prescribed section of the Diocese. We believe many of our Sunday Schools greatly need contact with the Commission and its work. Facts in our possession prompt the conviction that too often the Sunday School is made a mere auxiliary to aid in the Church's finances, and that the children are being taught but little of permanent value. Unless we awaken to a deeper sense of responsibility concerning our duty to the children of the Church, and those coming within the scope of our Sunday School work, we shall miss a great opportunity which is before us.

We believe that intelligent and persistent action on the part of sectional branches of the Commission might help and strengthen many of the Sunday Schools throughout the Diocese.

The Committee then moved the following resolution, which was adopted:

Resolved, That the Sunday School Commission be increased, in numbers, by appointment of the Bishop, and that it be divided into four groups or branches, two for each Convocation of the Diocese.

The Bishop then appointed the Commission, as follows: The Rev. E. J. Knight, the Rev. E. V. Stevenson, the Rev. E. Briggs Nash, the Rev. W. D. Dale, the Rev. Ralph B. Pom-

Resolved, That 1,200 copies of the Journal of this Convention be printed and distributed, as usual, by the Secretary.

On motion of the Rev. R. E. Urban it was

Resolved, That the thanks of the Convention be tendered the pages for their efficient work in assistance to the Secretaries of the Convention.

On motion of the Rev. Mr. Underhill:

Resolved, That the Treasurer be instructed to pay to the sexton of St. Michael's Church, Trenton, the usual fee for his services during the meeting of the Convention.

On motion of the Rev. Mr. Bogert it was

Resolved, That the thanks of the Convention be extended to the Rector, Wardens, Vestry and members of this parish and to the Churchmen of Trenton for their kind hospitality to the deputies of the said Convention.

The Rev. Mr. Perkins reported for the Standing Committee that they had organized by the election of the Rev. A. B. Baker, D. D., as President and the Rev. C. M. Perkins as Secretary.

The minutes of the day's sessions were then read and approved.

The Bishop addressed a few words to the members of the Convention, said the closing Prayers, gave the Benediction, and declared the Convention adjourned *sine die*.

**Thirty-third Annual Address of the Rt. Rev.
John Scarborough, D. D., LL. D.,
Bishop of the Diocese.**

DEAR BRETHREN OF THE CLERGY AND LAITY :

Members of the one hundred and twenty-third Convention of the Diocese, I greet you in the Lord as we meet in this Capital City, as the guests of this venerable parish. This year is memorable as a landmark in the history of our Church. Three hundred years ago, on May 13th, 1607 (old style), the Rev. Robert Hunt and a company of English emigrants landed on Virginia soil at Jamestown. There the English Prayer Book was first used and the Holy Communion administered, almost identically, word for word, the same service in which we joined this morning. In the shadow of the primeval forest, that faithful little band of Churchmen knelt on the bare ground and joined their chaplain in the familiar prayers of the Liturgy, which they had known and used since childhood. Surely it is not vain boasting if we feel some pride in the fact that our Branch of the Church was the earliest pioneer on the American continent—or at least on that part of it which embraces the United States—nearly half a generation before the landing at Plymouth in New England.

As Churchmen we should be most grateful that we can claim kinship with the brave men who left home and friends behind them, facing perils and hardships, that they might found a new empire on this side of the Atlantic Ocean, which was destined to become the home of millions and scores of millions in after years. That small seed, planted at Jamestown in faith and watered with tears, has become a great tree, sheltering the peoples of every clime under its wide-spreading branches. The Nation and the Church both are preparing to celebrate in a worthy manner the anniversary of so important an event. The

great civic demonstration, which is attracting the interest of the whole civilized world, fitly marks the birthday of a new continent, now peopled from ocean to ocean.

Surely the Church will not miss the opportunity of duly emphasizing an event of such transcending importance in its history. The General Convention which will meet in Richmond, Virginia, during the coming autumn, is looking for a large and generous thank-offering from the men of the Church, to witness, in some measure, their gratitude for the blessings that have come down through three centuries, from that feeble beginning. This Diocese, which shared so largely in the labors of the first missionaries, sent hither by the Church of England, ought to be among the foremost in zeal and gifts. At an early date, after the Church, in her great council, had resolved to ask the men to mark the event in this practical way, the matter was put in the hands of a large committee, but as yet there are few signs of real enthusiasm and very little to show in the way of visible results. Many of the parishes have as yet done little or nothing to manifest their interest. The opportunity has been most earnestly presented and pressed upon the attention of the whole Church, but thus far the results in this Diocese are disappointing. It is not too late yet to "redeem the time" and work vigorously in the few months that remain. Large gifts from a few might fill the expectations of the general Church and save the Diocese from shame, but small gifts from the many would better fill the ideal of those who have given the matter most time and thought. I make my appeal to the Clergy to use every effort to quicken the pride and rouse the interest of the men in their congregations to swell the thank-offering to such large dimensions that this Diocese will not be ashamed of its record, when set side by side with that of other Dioceses who are less able to give than we are.

In this connection, I beg leave once again to call your attention to the subject of the apportionment made by the Board of Missions. Our share has been fixed at \$13,700—not a heavy

burden when distributed over the whole Diocese, less than seventy cents for each communicant. And yet last year we contributed less than two-thirds of this amount for general missions. There must be some reason for this, other than disability. It is claimed, I know, by some that there are inequalities in our present method of apportioning, which perhaps a new committee might be able to discover and remedy, by carefully tabulating, or revising, the parochial reports. The basis of the present apportionment is the salaries and current expenses added together. Salaries, as a rule, are a fixed and definite sum. Current expenses, other than salaries, are meant to include only such items as heat, light, music and the like. New buildings, repairs, improvements or enlargements are extraordinary, or occasional expenses—yet in some instances I fear it will be found that such items are reported as ordinary parochial expenditures, and, of course, the apportionment is increased, as I am sure it was never intended it should be. In most cases, a little more carefulness in making up the annual report might prove a cure for inequalities. There is still another complaint that deserves consideration. One parish provides a parsonage house for its rector, while another rector of a parish is compelled to pay rent. Their salaries may be reported as the same, but in equity they are not. It will require a little time and patience to adjust such matters, but it should be done, in order to remove every ground of complaint. The system is, I believe, right and it is working admirably in most cases. It means to be just and fair to all and divide the burden equally. There are certain parishes which do little or nothing for the support of missions at home or abroad, and it is hardly worth while to continue asking, when there is no response. There are certain other parishes which deserve a high place on the roll of honor, because they give more than is asked, and thus in some measure supply the deficiencies of those who hold back and are willing that other shoulders should bear the burden which they themselves will not touch with one of their fingers.

The Church of to-day is face to face with more grave and

perplexing questions than that of finance. One of them is the increasing scarcity of clergymen. The additions to the ranks of the ministry are little more than enough to make up our losses. Young men are not coming forward as they did some years ago as Candidates for Holy Orders. Most of our theological seminaries are training diminished numbers—while the demands of the Church are increasing with wonderful rapidity. The proof of this is not hard to find. I have added but two names to the clergy list by ordination during the Convention year, while we have lost seven by death and deposition, and yet there are six more canonically resident than there were last year at this time. This Diocese, therefore, has drawn from other sources eleven clergymen, or four more than enough to make up our loss. This, of course, does not include the two added by ordination. While this is a good showing for us, I consider it a sad outlook for the general Church. A missionary Bishop came recently from his distant field and spent some weeks searching for two or three earnest men willing to volunteer as helpers, but he went back to his jurisdiction alone, disheartened and discouraged. I have no difficulty in finding clergymen for the older and stronger parishes, but it is by robbing other, and often weaker, Dioceses—the soil of New Jersey is not producing them. I do not expect to have a single ordination at the coming Ember season. I sometimes fear the Christian home has, in great measure, lost its power as a training school of the young in godliness. From a worldly point of view there are other and more tempting inducements than the ministry can offer. The accumulation of great wealth is the one absorbing ambition with too many. Young men are dazzled by the vision of the immense fortunes so common in this day and so turn away from a calling that has little to offer but self-denial, and often the pinchings of poverty. It is, I am sure, a part of divine wisdom that men are not tempted to enter the ministry by the promise of rich earthly rewards. And yet is it not true that the Church is bound to see that those who serve at the altar be not permitted to suffer for lack of the bare necessities

of life? In this Diocese there is provision made for the sick and the aged of the clergy, but I know some who are neither sick nor old, who are striving to live on a very small salary and facing every day anxiety for the morrow. What would have provided a comfortable living for a family a few years ago is very inadequate at the present time. Prices of all the necessities of life have greatly increased, so that a dollar has not much more than half the purchasing power it once had. Every householder knows this fact—and the laity know it as well as the clergy—yet I have heard of very few parishes that have tried to find and apply a remedy for this. In all but a very few instances, salaries are unchanged. I appeal to the Deputies in this Convention, as well as to laymen throughout the Diocese, to see to it that the divine law is fulfilled, "The laborer is worthy of his hire." I have often thought that a sustentation fund would be the best way to meet the difficulty. There are weak parishes that cannot afford an increase, and there are strong parishes that might be willing to do more than meet their own current expenses; and thus, the strong helping the weak, a fairer average might be reached, and real want made impossible.

Five of the clergy entitled to seats in this Convention did not answer the roll call this morning, because they have been called up higher. So many deaths in one year is a very unusual record. The Rev. Francis D. Canfield and the Rev. Henry L. Phillips were both students in the General Theological Seminary when I entered as a Junior in 1854, so that they were both numbered among my friends for more than half a century, and both had reached the time when, as the Psalmist declares, "strength is but labor and sorrow." The Rev. Theophilus M. Reilly has been for some years the oldest Priest by canonical residence in this Diocese. In his early ministry, the record of his missionary labor covers a wide field. Of late years he has devoted himself wholly to the work of education. The Rev. F. B. Crozier served acceptably for a good while, both as missionary and rector, and latterly he has been Curate in Trinity

Church, New York City, without changing his canonical residence. The Rev. W. H. Wyatt-Hannath, M. D., was lecturer at a medical college, only officiating occasionally as a helper or supply. Two Priests, the Rev. Francis B. Chetwood, and the Rev. David L. Schwartz, have been deposed from the Sacred Ministry at their own request, and not for causes affecting their moral character. Notwithstanding these losses by death and deposition, the number of Clergy has been increased by six over last year at this time, so that our actual working force has not been diminished. Perhaps I ought in all fairness to add that there are twenty-seven of this number not engaged in active parochial work in this Diocese. Some are disabled by age or infirmity; some are officiating elsewhere, not desiring to be transferred; a few are engaged in secular callings, and another few in teaching; three are traveling or studying abroad; two are chaplains, one in the army and another in a soldiers' home; some are filling temporary engagements, or assisting other Clergy on the Lord's Day. When we come, therefore, to analyze the class that is called in the almanacs "non-parochial," we find that the great majority of them are neither idle nor unemployed. As a fair offset, there are ten Clergymen licensed to officiate in this Diocese, not including those licensed for temporary duty at the shore during the summer, nor the large body of Lay Readers, many of whom are doing excellent work assisting the Clergy or caring for weak missions.

Two of our Clergy have suffered grievous loss during the year past: the Rev. Dr. Glazebrook, of St. John's, Elizabeth, in the death of his wife. The generous outpouring of love and sympathy from the members of his flock and from his brethren, the Clergy, as well as from many friends in North and South, have been a comfort and stay to him in his great sorrow. The Rev. Horace T. Owen, Rector of St. Paul's, Trenton, mourns the sudden death of his father, who was a Priest of the Diocese of Central New York. The whole Church shares his loss, in the removal of a faithful worker, for "if one member suffer, all the members suffer with it." A number of laymen have

been called home during the year, some of them members of the Convention many times. I will only name a few of them. Percival Nichols, of Bridgeton, good Christian man that he was, though he had small store of wealth to bestow, remembered his parish church in his last will. Albert Lucas, of Gibbsboro, and Harry A. Smith, of Somerville, both young men in the very prime of life, and of great promise, were suddenly cut down by death, leaving many to mourn what, I dare say, some thought an untimely ending. Captain James F. Sharp, of the Church of Our Saviour, Camden, was for many years a tower of strength to that struggling parish. Mrs. Frederic A. Potts was long the generous benefactress of our Hunterdon county missions. I will venture to mention only two names more, whose places will be hard to fill in the Church Militant: Robert Livingston Stevens, who, with other members of his family, has done great things for St. Bernard's parish, Bernardsville, and Dr. John Fulton, whom I have long esteemed one of the foremost men in the sacred ministry, the learned canonist, the profound scholar, the great editor, the learned theologian, the brave defender of the Faith, my friend of many years. We thank God for the good examples of these His servants, and of others gone before us, while we pray for grace to follow in their footsteps—even a great way off.

Three Bishops have finished their earthly labors and entered into rest, Bishop Schereschewsky of China, Bishop Nicholson of Milwaukee, and Bishop Seymour of Springfield. These are names so familiar to American Churchmen that I need not do more than make record of them here. Bishop Schereschewsky has won an enviable place among Oriental scholars by his translation of the Holy Scriptures, first into the Mandarin tongue, and then into the Wen-li, thus bringing the Word of God within reach of three hundred millions in the Chinese Empire. The other Bishops deceased were men of mark in their day. Whatever else they were or were not, they were not cowards, but outspoken, fearless and brave in defence of the Faith. There was no sign of weak compromise in all they said

or did, and such men are needed in the Church to-day, when many seem bent on breaking down every barrier, and either denying or explaining away certain articles of the Creed, under the specious plea of liberty. Literature is freely and widely distributed by some who desire to remain in the Church and change the old landmarks, or break with the past by assailing the foundations or corrupting the truth as held and taught from the beginning. But the present wave of doubt and denial will soon exhaust itself, and leave no trace behind, just as the mark left by the wave on the shifting sands of the seashore is blotted out by the next succeeding wave. If history teaches any one truth more plainly than another, it is this, namely, that the promulgation of error always tends to strengthen and establish the truth. I am firmly persuaded that the old foundations will remain sure and unshaken. The great body of the Church is loyal to its standards of doctrine and duty. The vast majority of its members are quite content to tread in the old paths and cling to the old truths which have come down through the ages. Let no man's heart fail him, as though God's revealed truth can ever fail, or as though the Ark of God needed human hands to steady or uphold it. "It must needs be that offences come, but woe to that man by whom the offence cometh." The Faith has been tried before now, even as by fire, but the sure and strong foundations, unshaken and firm, remain, and will always remain, in spite of the gainsayers and deniers.

Turn with me now to a brief review of the material growth and progress of the Diocese in the past year. The spiritual progress no human arithmetic can compute. Beginning at Atlantic City, we find that St. James' Church has nearly completed the work of changing a frail wooden structure into a solid building of brown stone. There is also added a new ceiling of wood, and a very convenient morning chapel. The Church of the Ascension has removed the rectory to a new site and is building in its stead a large parish hall of brick, memorial of the Rector's twenty-five years in the Sacred Mini-

try. St. Augustine's has raised the roof of its chapel, adding an additional story, and making a most convenient residence for the Rector and his family, thus saving a large yearly outlay for rent. In Pleasantville, a suburb of Atlantic City, St. Mark's Church is nearing completion. It is built of concrete blocks, the first of its kind in the Diocese, and is a memorial gift deeded to the Trustees of the Diocese, free of debt. Holy Trinity, Ocean City, has made great progress in the past year. Heretofore it has been open only in the summer months, but there is now a demand for services all the year through, and it has been demonstrated that both the attendance and offerings will warrant this. The organization of a parish and the ministrations of a settled Rector are among the things hoped for at an early day. St. Simeon's, Wildwood, has grown by leaps and bounds. Five thousand dollars have been raised and expended on interior finishing since my last visit, so that the church is now one of the most imposing buildings on the coast, fair to look upon both outside and inside. Christ Church, Millville, has sold at a good advance in price a property purchased some years since as a possible site for a new church. With the money in hand and some very generous additions the vestry are planning to make changes and additions that will afford greatly increased accommodation. St. Andrew's, Bridgeton, has greatly increased its communicant list by confirmations and transfers, in spite of severe losses by death. It has recently cancelled its parish bond given to the Trustees of the Episcopal Fund years ago. You will find it a pleasant feature of the report of the Treasurer of that Fund that several other parishes have done likewise. If all were to do so, and the capital of the Fund increased to one hundred thousand dollars, it would be possible, should the time and the need ever come, to meet the salary of a Coadjutor Bishop, without extra assessment. St. James', Paulsboro, has made many improvements, including new windows, new pavement and several memorials. St. Barnabas', Mantua, has cash in hand almost sufficient to build a parish house and Sunday School room without incurring

any debt. St. Luke's, Newbold, has ceased to be a chapel of ease and has become a parish. St. Ascension, Gloucester, and has applied for permission to organize a parish. The Church of Our Saviour, Camden, seems to have found peace and harmony and the blessing which is sure to accompany these, prosperity. The building, which wore a dilapidated appearance, has been put in thorough repair, the mortgage debt is slightly decreased, and the new Rector is full of hope for the future. St. Stephen's, Camden, a mission of St. Paul's parish, has been set off as an independent work and has made application for leave to become a parish and receive consecration as such. St. Augustine's has received a gift of land on which to build a parish house, and an earnest layman of the parish is building a rectory at his own cost. St. Wulfred's, Camden, has opened a mission in North Cramer Hill, a rapidly growing portion of the city. Grace, Merchantville, has sold its former parsonage house and purchased another at a better location. It has also paid its parish bond to the Trustees of the Episcopal Fund. Christ Church, Palmyra, has voluntarily relinquished missionary aid and is an applicant for admission to the Convention. Christ Church, Riverton, has tiled the floors in the body of the church as a memorial of its late Rector, Mr. William P. Ellison. It has also made an addition to its endowment fund. St. Mary's, Burlington, has another beautiful window in the west end of the nave, commemorating the Rev. Dr. George Morgan Hills, for many years Rector of the parish. St. Barnabas', Burlington, has a new and commodious choir room and is making ready to build a new church as a memorial of its late Rector, the Rev. George W. Harrod. St. Mary's Hall has added to its group of buildings and I am glad to report it as greatly prospering. There has not been a vacant room, and part of the time a waiting list of pupils, in the academic year drawing to its close. We need more new buildings, but most of all we need a generous endowment, in order to educate, at small cost, the daughters of the clergy and other deserving applicants. Florence has a goodly sum in hand for the building of a new and larger church at an early day. S

Michael's, Trenton, as you can see, has been greatly improved inside and outside, and in excellent taste. Grace, Trenton, has built a new organ chamber for a new pipe organ, and both are paid for. Christ Church mission has purchased three city lots, the site of the present modest chapel, with a view to enlargement at an early day. St. James' Chapel is being enlarged to twice its former seating capacity, to meet the growing needs of the congregation. There will be a basement room finished for Sunday school, guild and social uses. Trinity, Princeton, is almost ready to undertake the enlargement of its church building, doubling its present seating capacity. Trinity, Elizabeth, has made large inroads on the debt which remained on its parish house. St. Luke's, Roselle, has plans and some money in hand toward the building of a new church and has begun a very promising mission work in Kenilworth, a growing settlement near by. St. Paul's, Westfield, has been most fortunate. Mr. H. C. Sergeant, who held a mortgage on the church property, very generously forgave the debt. A beginning has been made toward the erection of a parish house, on land donated by Mr. Alfred Mills. All Saints', Scotch Plains, has been equally fortunate, by receiving as a gift the cancelled mortgage, which has long been an incubus on the work and growth of the parish. St. Stephen's, Netherwood, has added a commodious hall to its other buildings, which has proved a real boon to the parish, as well as to the entire neighborhood. Grace, Plainfield, has paid the mortgage of ten thousand dollars which has remained on the parish since the present church was built. Thus there are three neighboring churches freed from debt in the past year, and awaiting consecration, Grace, Plainfield, All Saints', Scotch Plains, St. Paul's, Westfield. Holy Cross, North Plainfield, has also cleared its property of several thousand dollars indebtedness, and made large improvements in its parish house. This is a very remarkable record for a single year. St. Uriel's, Sea Girt, built mainly on money borrowed from the bank, has paid up every dollar and purchased a lot adjoining the church. During the coming summer I expect to consecrate that church

also. St. Augustine's, Asbury Park, has raised its wooden structure and built underneath it a large room for guild meetings and Sunday School. Our Saviour, Cheesequake, has developed in a remarkable degree under the care of Mr. Augustus A. DeVoe and his son Garner, both licensed Lay Readers under the Bishop. Services have been held every Sunday with good congregations, a debt of more than \$1,200 has been cancelled, new sheds built, and the buildings kept in excellent repair. I speak of the work very specially because it shows what earnest lay work can accomplish. There are many other signs of growth in the Diocese that I have not named, but surely this incomplete and hasty review is enough to make us devoutly thankful to Him, Who alone can give the increase, and from Whom cometh every good and perfect gift.

I spoke to you last year of the desire on the part of the Trustees of Christ Church Home, South Amboy, to make it a diocesan institution, but the Diocese seemed unwilling to assume financial responsibility. The Board of Trustees has been organized anew, with the Bishop as a member. There is an endowment that was sufficient to meet running expenses before the rate of interest was reduced. The Trustees have determined to put the house in perfect order, furnish it anew throughout, and open it in the coming June, ready to receive from ten to twenty children from any part of the Diocese, and give them, so far as possible, the care and training of a Christian home. Thus, while the Home will be diocesan in everything but the name, the Diocese will incur no financial responsibility for it. I am sure the Clergy will find it a great boon for the destitute or orphan girls that are a charge in nearly every parish. To them first of all it is freely offered. It will be under the spiritual care of the Rector of Christ Church, South Amboy.

There is one pleasing feature of our diocesan affairs, to which I allude with something of pride, and a good deal of satisfaction. In the Convention Journal of 1875, the first after my consecration, the Aged and Infirm Clergy Fund of the whole State is reported as a trifle over \$11,000. One-half of

this sum was our portion. The Trustees will this year report the capital of that Fund as nearly or quite \$100,000, so that no clergyman canonically resident in this Diocese for three years, who has made an offering every year to the Fund, need suffer want, either in sickness or old age. I wish I could say as much of the Fund for the support of the Widows and Orphans of the Clergy. That Fund is comparatively new, and grows very slowly, but I am glad to say it is receiving increased interest and larger offerings. This Diocese ought not to be a mendicant or drawing from the general funds of the Church, and yet in the last statement received from the treasurer of the general fund, I am almost ashamed to find that we are drawing out several times over more than all our parishes give. Either we ought to increase our giving to the general fund, or make larger provision at home. The Woman's Auxiliary of the Diocese will hereafter make that fund one of its beneficiaries, as a most fitting part of woman's work.

The Government of the United States determined some time ago, at great cost and labor, to get an accurate census of all the religious bodies of the country. I gave in a list of Clergy laboring in parishes or missions and the Census Bureau sent me in return blanks, and franked envelopes for the reply. These I myself distributed through the mails. To my great surprise, I received not many days ago a statement from Mr. North, head of the Census Bureau, that many of the Clergy of this Diocese had failed to make any returns. I could not have believed it possible that good citizens or good Churchmen would refuse to co-operate with the civil authorities in so praiseworthy an effort. Other Christian bodies will respond, and will include the newly baptized babes as members of the Church, while we will at best report only the communicants, and in greatly diminished numbers unless the Clergy are willing to give the desired information, and at once.

The Peace Conference which is soon to assemble at the Hague, representing every phase of civilized government the world over, should commend itself to the interest and prayers

of all good Christian people. War is in itself a cruel waste of life and treasure and often it leaves undecided the issues that provoked it, determining only which combatant is the stronger. Questions may arise between nations that friendly arbitration is not able to settle, and the taking up of arms seems the only alternative. Self defence, especially when it is the oppression of the weak by the strong, may demand life and fortune, and all one has to give. But in this day such cases are very rare exceptions. The Church teaches us to pray on bended knees, that God may send peace in our time. And we long for the day to come when wars will cease in all the world and the sword become the symbol of industry. Let us not fail to remember in our daily petitions those who meet as the champions of peace and the enemies of war.

I spoke a year ago of Dr. Cooder's mission to England. In response to the invitation of the Society for the Propagation of the Gospel, he prepared himself with great care to deliver lectures on the planting and growth of the Church in this country. I am glad to say his mission was in every way successful. He went up and down through England where the Society sent him, telling the wonderful story and illustrating his subjects with lantern views. I have received letters from some high authority commending his work and telling of the debt which the mother owes to her daughter for the good service he rendered. Since his return he has accepted many invitations to tell the story over again. He will be glad to respond freely to the call of any of the Clergy who may wish it.

The Lambeth Conference has been postponed till next year, because of the meeting of our General Convention. I have already a cordial invitation to be present, and some of my friends think it my duty to attend as one of the older Bishops of the Church, but as I am nearing the limit of the years allotted to men, I deem it more prudent to take no chances and so have concluded not to cross the Atlantic again, but to spend the remainder of my days here in the work which God has given me to do. Nothing could be more delightful than to

meet such a body of men as will be gathered from every quarter of the globe in the freedom of brotherly intercourse, but there is also labor involved, and often of the most delicate sort.

In counting up my years I am reminded that it will be just half a century on the 28th day of June next since my friend and Bishop, of blessed memory, Horatio Potter, gave me my commission as a Deacon in the Church of God. Thrice he laid holy hands on my head, thus admitting me to the three-fold order of the Church's ministry. As I look back over my long ministry it is crowded thick with blessings and I can truly say that God's goodness and mercy have followed me all the days of my life. My appointed work has never been a burden, but always a delight. I have been blest with health and strength and good friends at every stage of the journey. Neither riches nor poverty have been my lot, but I have had enough to supply generously all my needs. More than half, nearly two-thirds, of my ministry has been spent in this Diocese, and while the office of a Bishop brings cares and responsibilities not a few, I would not, if I could, change the record of my official life in any essential feature, except to make it more fruitful and more earnest. In fifty years there have been great changes in the Church's life and methods, many of them for the better. Burning questions have risen, and passed out of sight. Parties have risen and fallen again. But in spite of all hindrances there has been uninterrupted advance.

I have said nothing about the delicate and difficult task laid upon me by the Church, as the President of the Court of Review in an important trial for heresy. For many anxious weeks the court met from time to time to consider carefully the grave and important questions before it. We had no precedent to guide us, but as you know the final decision was unanimous, and it was hailed with delight by the great body of the Church. There were few dissenting voices, outside a little group of sympathizers. The Church press, with one single exception, lauded the result. This fact has been definitely settled: that no man can be tolerated as a teacher in the Church who tramples on

and despises its authority, or boastfully denies the articles of belief. The effect, I think, has been healthful. There is evident halting on the part of some who thought themselves at liberty to teach and to preach with impunity another doctrine while wearing the garb of the Church and claiming its authority for their vagaries. I deplore ecclesiastical trials, but there are times when the very life of the Church is at stake, and they cannot be avoided. Better a thousand times the shame and scandal of a trial than the open and perverse denial of the Faith.

I am looking with hope to the coming General Convention to give us a court of final appeal on questions of doctrine. A Court of Review can only do what its name implies. It is bound to see that the trial court of the Diocese made no mistakes, but it can neither consider nor give judgment on any point of doctrine.

I fear I have detained you too long already from the business that has called us together, and while there are many important issues before the world and the Church to-day worthy to be considered by a body of Christian men like this, I will not claim more of your time. From the earliest days this has been known as Expectation Week, as the first disciples waited for the fulness of the Master's promise to send them the gift of the Holy Spirit. May it prove to be for us, as for them, not expectation only, but fulfilment, that the Kingdom of our dear Lord may be enlarged, and that our own hearts may be warmed into a glow of enthusiasm, as we take sweet counsel together in the bonds of that best of all gifts, charity.

Appendix VII.

CHANGES OF CONSTITUTION AND CANONS.

Title IV, Canon VIII, Sec. 2, of the Diocesan Canons directs, ~~that~~ "When any alteration of the Constitution and Canons is made by the Convention, all such alterations shall be printed as amended in an appendix to the Journal of the Convention, and continued from year to year until such time as a new edition of the Constitution and Canons shall be ordered by the Convention. The appendix shall also show, by a foot-note, in what year the alterations were effected."

*As amended, Title II, Canon II, "Of Election of Church Officers," now reads:

SEC. 1. In every Church there shall be Divine Service on the day of the election of Church Officers, and immediately before the election is held.

SEC. 2. At the Annual Parish meeting (of which meeting the notice required by law shall be given) the qualified voters shall elect by ballot to serve for the ensuing year, by a majority of the votes cast, three Deputies and three Alternates to the Diocesan Convention, and such Wardens, Vestrymen, and other officers as may be provided for by the charter of the Parish or the laws of the State: *Provided*, however, that the said Deputies, Alternates, and Wardens shall be communicants, not under repulsion; and said Vestrymen shall be communicants, not under repulsion, if such suitable for the office can be had. In Parishes organized with Trustees, the qualifications of the Trustees shall be the same as for Vestrymen.

SEC. 3. The persons entitled to vote at any Parish meeting shall be male communicants or baptized males, of full age and good moral character, who adhere to this Church and to no other religious body, and who are habitual attendants upon the services of the Church of said Parish, and who, for six calendar months next before said meeting, have contributed to the current expenses of said Parish according to the mode or modes adopted therein. *Provided*, nevertheless, that no voter shall be permitted to exercise the right to vote who is not either a communicant received into the said Parish according to the Canons, or a baptized person who has been accepted on his own written request to the Minister, or Warden, if there be no Minister. And

asantville has made great progress, and they have an encouraging outlook. The Mission at Westville or Newbold is seeking to become independent Parish. St. Stephen's, Camden, has taken steps to assume full responsibility for itself after years of fostering care from Paul's, Camden. The work has demonstrated its ability to stand on its own, and we may well wish the work all success. The Mission at Camden City begins its independent life as a parish with the completion of the Canonical formalities. This is a remarkable list of developments during the latter part of the year.

If I were to go into all the details of the work, it would require more time and space than we can spare. But it is necessary for me to say that all of the Missions are served by a devoted and self-denying band of workers, whose lives are being given without stint for this work. I should be doing what I do not feel like doing to mention each one by name. But I am required by Canon to speak somewhat in detail of the Missions.

Edgemoor has met with some losses, but it has made great gains, and is doing well. Both of the Missions in Camden are growing. St. Augustine's is expanding, and the Church of Our Saviour is building up its work under a heavy load of debt. The Missions connected with the Diocese are thriving under the same loving care which they have had for many years. Crosswicks, as a town, does not grow, but the Church holds its own under the care of the Associate Mission. Medford has been placed in the care of Rev. Mr. Wright, and is making substantial progress. Millville has disposed of the lot which they had been acquiring for many years, and they hope soon to be able to make some improvements which have long been needed. This is a step greatly in advance. Salisbury and Mullica Hill keep on in the even tenor of their way, but Salisbury has made such marked progress that it ought to have more of the time of the Missionary, for it now seems to be one of the most promising of our Missions. In this same connection, I may mention the fact that there is a demand for services at Wenonah, and a few services have been held there. At Cape May the services have been kept up, and are now supplied by a clergyman who succeeds the Rev. Mr. Finn. In Dorothy, we have had occasional services, but the place has not improved. The little Church is cared for by the people of the place, and I hold them a clergyman, as I can, and hold myself responsible for the parish work, so far as may be necessary.

The Canon requires that I shall speak of the needs of the work. The most overshadowing need is, as it has been for years, that we shall raise more money. We may discover new fields, and know where a great and good work may be done; it is worse than useless to do so,

unless some provision is in sight to take up the work. If we had the money, we could easily find work, and very important work, for two men within the lines of this Convocation. But we are not able to meet the demands fairly, that ought to be met with our present force. We are asking our Missionaries to see work needing attention, and they are unable to give their attention to it. It may be that it is necessary for us to make some sort of a modification of our methods, and send our workers less frequently to some points, and thus distribute the labor; but this will be to take away some of the regularity which is necessary for any kind of success. The only way that I can suggest is to ask the Parishes to increase their contributions, and, if this is done, as it should be, we shall have our needs met.

Respectfully submitted,

C. M. PERKINS,
Dean.

Appendix IX.

CONVOCATION OF NEW BRUNSWICK.

THE DEAN'S REPORT.

During part of the past year the Rev. Robert W. Trenbath has taken general charge of the Associate Mission work and the Rev. M. Belknap Nash has given special attention to that very important department of it lying on or near the coast. Mr. Trenbath is well fitted for his task, and is giving his whole strength to its arduous demands. Associated with him in his work are the Rev. Charles H. Doupé, the Rev. Charles L. Short and the Rev. Horatio K. Garnier, who, with the Rev. Mr. Nash and six Lay Readers, make up the staff of the Mission House. For the filling of vacancies in the staff we naturally turn first to our own junior clergy; but so few of late have been the ordinations of young men in our Diocese that we have been unable from this source of supply to keep our band of laborers full; we have also found it difficult, with the means at our command, to procure help from other quarters; yet we are thankful to report, that with our devoted but diminished staff, we have been able to maintain services with wonted regularity in nearly all the places committed to our care. In only three or four of the least important missions have the services been occasionally intermitted.

There are some encouraging results of the year's operations to report. One is the very considerable expansion of the work at St. James', Wilbur, where the congregations have much increased, the Sunday School has *doubled*, and the contributions *tripled* within the year. The church lot has also been enlarged, the basement of a new church building has been completed, and the old building has been raised and fitted to serve as a temporary place of worship.

At St. Uriel's, Sea Girt, one of the missions under the charge of Mr. Nash, the mortgage debt has been fully paid, and there is nothing now to hinder the progress of the mission.

At the Church of the Holy Comforter, Rahway, the attendance at the services has increased, and the building of a rectory is in view.

There has been a growing interest in the services at Grace Church, Crosswicks; all debts are paid and the Sunday School is in good condition.

At Holy Cross, Perth Amboy, a guild room has been fitted up and other improvements have been made in the property. The rectory has been rented with rooms reserved for the priest in charge. The chief hope of this mission lies in the Sunday School.

We regret to report the death of our missionary at Hightstown, the Rev. Henry L. Phillips, which occurred nearly a year ago. Mr. Phillips had been declining in health for several years, but in spite of his increasing infirmities he persevered in his ministration till the very last. Since his death, Hightstown has been put under the charge of the Associate Mission, which as yet has only been able to send a priest there once a month, the services at other times being conducted by a lay reader of the St. Paul's Society of Princeton University. Hightstown is an important field, and it is hoped that the Associate Mission may soon be able to give it the attention it ought to have.

At St. Paul's, Monmouth Junction, the Sunday School has been revived, a Woman's Guild has been formed, and working rooms in the basement will probably be provided.

The Sunday School at Heavenly Rest, Plainfield, is large and well ordered, and the interest of the people in the services is well maintained.

The services at Garwood are still held in a public hall, but the congregation hopes ere long to build a church suited to its need.

At St. Mark's, Carteret, there are signs of improvement, especially in the amount of its contributions.

We cannot report the condition of things at Flemington as encouraging, but there the services are still regularly held, as they are also in the other missions of Hunterdon county, Pittstown and Alexandria.

St. Barnabas', Sand Hills, has been weakened by the removal of number of families from its neighborhood and the inflow of a foreign population.

Cottage services have been regularly held at Trenton Junction and White Horse, and in the former place a lot has been secured for a church building.

Most of the other places served by the Associate Mission—28 in all—are holding their own, but at four of them, Jamesburg, Mercerville, Edinburg and Prospect Plains, the labors of the Mission have been temporarily suspended.

The Sunday Schools have everywhere improved, and the "Envelope System" has been well established in most of our missions.

Very gratifying results have been reached in some of the missions with a settled pastorate. All Saints', Scotch Plains, has been entirely relieved of the debt which for many years had encumbered its property.

and hindered its work; and has also raised a considerable sum for much needed improvements. It is cause for general congratulation that this long desired result has been reached.

At Holy Innocents', Dunellen, the financial condition has also much improved, and the trustees have determined to relinquish \$50 a year from the sum received at present from the Convocation.

The survey of our missionary work would be very incomplete if it did not include a general view of the missionary operations conducted by many of our Parishes without Convocation aid. The Dean has no right to claim reports of this work, but as many of his brethren have volunteered to send them, he adds a brief statement of its condition in their respective fields. St. John's, Elizabeth, the Rev. Dr. Glazebrook Rector, supports a chapel, at which last year 26 were baptized, 18 confirmed and 20 added to the communicant list. Here there is also a Sunday School with 200 scholars and 25 teachers. Of this promising work the Rev. Brockholst Morgan is specially in charge. Christ Church, Elizabeth, the Rev. Dr. Oberly Rector, also sustains a chapel in another part of the city at which there is a flourishing Sunday School, and a regular ministration of the Word and Sacraments to a considerable number of people. Christ Church, South Amboy, the Rev. H. M. P. Pearse Rector, has two chapels—the Doane Memorial and the Good Shepherd—through which it reaches the people, many of foreign birth, in the outlying parts of the Parish. In the former there is a Sunday School of 75, in the latter one of 40 scholars.

Through the zealous efforts of the Rev. John C. Lord, Rector of All Saints', Navesink, a new church with the dedication "St. Andrew at Highlands" has just been added to our list. The property was bought of the Board of Home Missions of the Dutch Reformed Church; a corporation has been formed to hold it, and services are now regularly conducted. During the past two months the congregation has filled the building, and a Sunday School of more than 100 scholars and teachers has been gathered.

There is an encouraging work at St. Andrew's Chapel in Trenton, recently built by the Rev. Milton A. Craft, and here the foundations of another Parish are being laid. The Rev. Dr. J. C. Quinn is in charge.

At St. Bernard's, Bernardsville, and the parts adjacent the Rev. T. A. Conover is conducting a large missionary work and has services at Basking Ridge, Peapack, Gladstone, Far Hills, Union Grove, Somerset Inn and Mine Mount. The Rector also adds to his abundant labors the charge of a Farm School, where a good, practical education is furnished at small cost.

Christ Church, New Brunswick, the Rev. E. B. Joyce Rector, con-

tinues to sustain services in the venerable Parish of St. James', Piscataway; and St. Peter's, Spotswood, does the same for the Church of Our Saviour, Cheesequake.

Other Parishes which are carrying on missionary work in their respective neighborhoods are St. Luke's, Metuchen, Christ, Toms River, Trinity, Princeton, St. Mary's, Keyport, Trinity, Red Bank, Christ Shrewsbury, Christ, Trenton, and St. Luke's, Roselle.

Services are held in a number of seaside churches in the summer months, the chief of which are at Avon, Allenhurst, Beach Haven, Beach Head, Belmar, Elberon, Island Heights, Mantoloking, Monmouth Beach and Spring Lake.

Opportunities for extending our missionary work are being continually brought to our notice, but we cannot improve them because we lack the necessary means and men.

May it please the Lord to send forth more laborers into His harvest and may we be more ready to see that they have their proper hire!

We add a few statistics gathered from the reports sent to the Dean

ANNUAL REPORT OF THE NEW JERSEY BRANCH OF THE WOMAN'S AUXILIARY.

The thirty-second annual meeting of the New Jersey Branch of the Woman's Auxiliary to the Board of Missions was held in St. Michael's Church, Trenton, Wednesday, April 24, 1907.

At 10.30 there was a celebration of the Holy Communion by the Bishop, assisted by the Rev. Dr. Jones, rector of St. Michael's Church. In his address the Bishop expressed his full appreciation of the women's good work and he asked their sympathy and co-operation in new lines. He told of the complete reorganization of Christ Church Home, South Amboy; of the moving away of the Sisters of St. John the Baptist to a Home of their own. The Bishop requested the women to interest themselves in Christ Church Home, to remember the household needs and to strive to bring needy Church children under its protecting influence.

The Bishop also spoke most feelingly of the very inadequate support given by the Diocese to the fund for the "Widows and Orphans of Clergy," and requested that hereafter any money the women might be minded to raise for his special work might be appropriated to this most worthy object.

The Rev. Dr. Jones extended a warm welcome, in behalf of himself and his parish, to the Auxiliary.

Miss Allen, New Jersey's nurse, in charge of Archdeacon Hughson's hospital, made an address, telling of the work of that institution.

On a motion of Miss Townsend the meeting extended to the Bishop its congratulations and hearty good wishes on his approaching seventy-sixth birthday.

At 12.00 the business meeting was organized with Mrs. Clark in the chair. The roll was called and nearly two hundred delegates, representing thirty-five parishes, responded. After the approval of the minutes of the previous annual meeting, and the several executive meetings held during the year, the report of the Treasurer was read and accepted. Tellers were appointed by the President to collect and count the ballots.

The meeting then adjourned for luncheon. Before leaving the dining room the Bishop offered a resolution of thanks to our most gracious

hosts, the rector and ladies of St. Michael's Church, for their generous hospitality, which was responded to by a rising vote.

On reassembling at 2.00 o'clock a report was received from the tellers, appointed to count the ballots; the ticket as presented by the nominating committee was elected unanimously. The following reports of the several Vice-Presidents were then made:

Domestic Missions,	\$4.598 51	
Foreign Missions,	900 70	
Indian Missions,	799 69	
Diocesan Missions,	392 00	
Work among colored people,	1,345 75	
Mexican Work,	334 68	
Junior Branch,	916 47	
		<hr/> \$9,287 80

The Babies' Branch progresses steadily; the "Little Helpers" having given during the year \$173.98; included in the above figures.

Mrs. Abbey, in making her report, read a very gratifying letter from the beneficiary of one of our Mexican scholarships.

Mrs. Monroe gave a very interesting account of a visit to a Moravian Church, at Bethlehem, Pa., where she was invited to speak on the subject of missionary work of the Episcopal Church. The Moravian clergyman had heard something of it and been so impressed that he wished his people to know about it.

Miss Townsend reported a healthy growth along all lines of the Junior work; four new branches having been organized during the year.

The Treasurer of the United Offering reported \$2,263 80 already in hand.

Appropriations from the Ten Cent. Assessment Fund were made as follows:

Work among colored people,	\$50 00	
Mexican Work,	43 71	
Foreign Missions,	34 00	
General Missions,	30 00	
Widows and Orphans of Clergy Fund,	20 00	
		<hr/> \$177 71

The Systematic Missionary Fund of \$20.00 was voted to the Board of Missions.

The report of Miss Edwards, Vice President of Mission Study, was read by the Secretary.

Several motions approved by the Executive Committee, at its last meeting, were presented to the meeting for consideration during the year, before being put to vote at the next annual meeting.

The meeting was then closed with prayer by the Bishop.

Respectfully submitted,

HATTIE P. TAGGART,
Secretary.

Andrew's Mission located at 2728 Garfield Ave., North Cramer Hill, has a membership of 55 with an average attendance of 80 per cent at the Sunday School sessions. We are still maintaining regular church services. The mission has been the means of bringing several new Church persons to a quickening of conscience and enlisting them in active service for the mission. The Sunday School has six classes including a Bible Class. The friends are looking hopefully forward to the erection of a mission building and are striving by various

means to accomplish this very necessary adjunct to the work. Mr J. F. C. Grumbrecht is in charge.

The services are still held in a rented hall, but a much larger attendance is noted than previous to this year. It is expected that the new church, now in course of erection, will be ready for occupancy and consecration some time during the month of July. All necessary furnishings, including a beautiful altar of Caen stone, a handsome pulpit, lectern, font, Bishop's chair and litany desk, have been subscribed for and the money is in hand, all of which are given by our people as memorials of those whom they "have loved long since and lost awhile." The new church will have a seating capacity of about two hundred and fifty; will be of concrete blocks and cruciform. Mr. Arnold H. Moses is the architect.

Since the last report, the interior of the church has been finished, and an old debt, of several years standing, for the cement pavement around the property has been paid to the borough of Wildwood. The parish has received three valuable memorials: (1) Baptismal Font of grey Knoxville marble, oak and brass cover, and brass

CLERICAL REPORTS.

(For Addresses, see Alphabetical Clergy list.)

THE REV. E. C. ALCORN.—I officiated daily for the Sisters of A Saints' at their Summer House of Rest, at Blue Ridge Summit, Pa. from June 22d, to Sept. 25th. I assisted in Mt. Calvary Parish, Baltimore, from October 1st to Feb. 1st. I served under the Archdeacon for Colored Work in Tennessee at Hoffman Hall, Nashville, All Saint South Nashville, and Columbia, Tenn., from Feb. 23d to May 1. During the year I have celebrated the Holy Communion 189 times, held 122 other (public) services; preached about 40 times, and baptized one child.

THE REV. EDWARD ROBERT BAXTER.—Since my resignation of Holy Trinity Church, Delair, I have officiated at St. John's and St. Stephen's, Camden, at Emmanuel Church, Holmesburg, Pa., and in West Cresskingswood, celebrating the Holy Communion ten times, preaching occasionally and officiating at three marriages and three burials.

THE REV. CHAS. E. BETTICHER.—On the first of June I took charge of St. Paul's American Church, Rome, for four months. The latter part of September, tidings came of the sad death of the Rev. Dr. Newell in Mexico, and, at the request of the vestry, I at once gave up my proposed sailing for Oct. 1st, and remained in full charge until the Rev. Dr. elect entered upon his duties, the latter part of February. After that time I continued to assist at every service until Easter Day. I am to take charge of Christ Church, Lucerne, Switzerland, from June 15th to September 15th.

THE REV. CHARLES A. BREWSTER.—Since my return to Florida in November, I have had entire charge of two churches, St. Timothy's, Orange City, and All Saints', Enterprise. Have ridden twelve miles every Sunday in keeping these appointments and have not missed service.

THE REV. C. ORVIS DANTZER.—Agreeable to your suggestion made me last Fall, I will endeavor hereafter to keep you posted at the church.

of every Conventional year as to what I am able to do among the deaf in New Jersey. During the year just closed, I have held 21 services as follows: St. Andrew's, Lambertville, 5; St. John's, Camden, 3; Christ Church, Trenton, 7. I married one deaf couple in Atlantic City last Christmas. I have made a number of calls at the places mentioned. In Trenton I have made several visits to the School for the Deaf, and twice visited a deaf convict in the State Prison. In Camden, a number of deaf people in sickness and distress have been assisted. Our Parish Visitor at All Souls' Church includes Camden, Merchantville, Gloucester and other neighboring New Jersey points in her field of labor. I hope in time to be able to include New Market, Elizabeth and other points where there are deaf mutes in sufficient number, in my itinerary.

THE REV. JOHN D. FERGUSON.—I have the honor to report that I am exercising the functions of my ministry, as Chaplain of the New Jersey Home for Disabled Soldiers.

THE REV. FREDERIC GREAVES.—In sending my report to you for the past year, would say that I have still continued the work at Holyrood Church, performing the various duties that have devolved upon me in that Parish, the details of which have been sent to the Convention of the Diocese of New York.

THE REV. SYDNEY GOODMAN.—Since my reception into this Diocese, April 4, 1907, I have held special services for men every Sunday in Ascension Church, Atlantic City, with numbers and enthusiasm steadily increasing.

THE REV. LOUIS K. LEWIS.—During the past Diocesan year I have officiated every Sunday in Pennsylvania or New Jersey, my official acts being duly recorded in the churches where I have been engaged

THE REV. L. H. LIGHTPIPE.—During the past Conventional year I have resided in Orange, N. J., and have officiated at various churches in the Dioceses of Newark and New Jersey, principally at Christ Church, East Orange, and St. Mark's Church, Orange.

THE REV. J. FRANKLIN LONG, PH.D.—During the last Conventional year under the License of the Bishop of Chicago, I have held services and assisted on the Cathedral staff of Sts. Peter and Paul.

THE REV. HASLETT MCKIM, D.D., spends the winter in his work at the Deaconess School in New York, and in the Summer assists the Rector of All Saints' in the Highlands of Navesink.

THE REV. HARVEY OFFICER, JR.—Is still serving his novitiate in the Order of the Holy Cross, West Park, N. Y.

THE REV. R. EDMUND PENDLETON has been living in Brooklyn, and has been able to do no clerical work because of bronchial and catarrhal trouble.

THE REV. BENJAMIN R. PHELPS.—During the Conventional year I have taken services as I had opportunity in Delaware, New Jersey, Philadelphia, Greater New York and vicinity. Baptisms, adults 1, infants 5; presented for confirmation 4; marriages 1; burials 3—all reported in their respective places.

THE REV. C. E. PHELPS has not been able to undertake any work except occasional ministrations.

THE REV. S. A. W. PRAY has done occasional duty for the Associate Mission in connection with the work at Trinity Church, Rocky Hill.

THE REV. E. M. REILLY.—The services of St. John's Chapel have been kept up regularly during the year. The congregation has been for the most part pupils of St. Agnes' Hall and St. John's Academy.

THE REV. E. M. RODMAN.—During the past year I have officiated in the offices of the Church on 138 occasions, have celebrated the Holy Communion 19 times, in private once, have solemnized six baptisms (infants), four marriages, have officiated at 19 funerals and have preached fourteen sermons.

THE REV. J. P. TAYLOR, D. D., has not been able to do any regular work during the year, his health not permitting.

THE REV. CHARLES WESTERMANN, has continued to minister to individuals as he has had opportunity and to occasionally preach and celebrate the Holy Communion. He has pursued systematic studies in Divinity and Classics. He has been resident in Prince Edward Island, Canada, for ten years last past.

TITLE I.

CANON I—Sec. 2.

OF THE TESTIMONIALS TO BE GIVEN TO LAY DEPUTIES.

The certificates of the election of Lay Deputies shall be in the following form:

[Name of the Church, the place and date.]

This certifies that at a meeting of the congregation of this Church, for the purpose of electing Church Officers and Deputies to the Convention (or *for the purpose of electing Deputies to the Convention*, if the meeting be for that object alone), A. B., C. D., and E. F., being members of the congregation and communicants of the Church, were duly chosen to represent the Parish in the Convention for the year ensuing. In testimony of which I have hereunto set my hand (or if the two Wardens subscribe, *we have set our hands*) the day and year above written.

N. B.—The signature of either the Rector or the Secretary of the Vestry is sufficient. If neither the Rector nor the Secretary signs, then the signatures of *both Wardens are necessary*. [A Clergyman who is simply a Minister-in-Charge, or Missionary, cannot sign.]

In the case of a congregation organized under Trustees, the certificate may be signed by two Trustees, in lieu of the Wardens.

The Lay Representation is limited to three Deputies, whose names should be carefully and *legibly* written.

This certificate is to "be transmitted to the Secretary of the Convention AT LEAST TEN DAYS BEFORE THE MEETING OF THE ANNUAL CONVENTION."

In order to secure this, the Secretary will forward a blank form to every Parish, and he earnestly asks the PROMPT attention of the Clergy.

In Article IV, Section 3, of the Constitution, it is provided that "*the Deputies, with their alternates, shall be chosen by the Congregation from the male communicants thereof, and no Lay Deputy shall represent more than one Parish.*"

THE NEXT CONVENTION OF THE DIOCESE OF NEW JERSEY WILL BE HELD, GOD WILLING, IN ST. MARY'S CHURCH, BURLINGTON, BEGINNING ON TUESDAY, MAY FOURTH, ONE THOUSAND NINE HUNDRED AND NINE, AT HALF-PAST TEN O'CLOCK A. M.

The Registrar read the following report, and on motion a sum not exceeding \$75 was appropriated for the purchase of new book cases, as recommended by the report:

The Registrar begs leave to submit the following report, for the year ending May 1st, 1908:

He has sent Journals of the Diocesan Convention to the Registrars of every Diocese and Missionary Jurisdiction of the Church; also to the librarians of the large universities.

He has received and filed journals from all Dioceses for the last year excepting two, and completed the collection from forty-one for the last ten years.

He has furnished information from records in his possession for inscriptions on several church windows and memorial tablets within and without the Diocese, and enabled other Registrars to complete their Diocesan files.

Addresses on special occasions of services and year books of parishes have been received.

The Registrar would recommend the sending of parochial year books by each Rector in order that in a central place information regarding the Churches of the Diocese may be obtained.

He also recommends the expenditure of a sum of money for new book cases.

Respectfully submitted,
ROBERT WIGHT TRENBATH,
Registrar.

The Secretary reported as follows:

The Secretary respectfully reports that during the past year he has performed the usual duties of his office. In accordance with the rule adopted by the Convention, twelve hundred copies of the Journal were printed and distributed. It is worthy of note that the printers had the Journal ready for mailing earlier than that of any of the other Diocesan

Conventions which held spring meetings. The Secretary would urge promptness in the return of parochial reports, so that this year the Journal may be issued still earlier, if possible. Copies may then be in the hands of all the clerical and lay deputies before the summer holiday season begins. Rectors of parishes will confer a favor by notifying the Secretary of any change desired in the number of copies to be sent, or of any change of address. It may be interesting to the members of Convention to know that the Canons of this Diocese have been adopted as the Canons of the Missionary District of Spokane.

CHARLES FISKE,
Secretary.

As Diocesan Secretary to the Pan-Anglican Congress, he reported that he had received a considerable correspondence with regard to its coming sessions, together with copies of the Pan-Anglican Papers on problems to be considered by the Congress. These papers are published by the Society for Promoting Christian Knowledge and can be purchased at small expense of the publishers or their agents. The Secretary announced that he would gladly give information about the Congress to any who might be interested.

The Secretary announced that he had received from the Secretary of the General Convention, in compliance with the requirement of Article XI of the Constitution, notice that the following Alterations of the Constitution of the Church are proposed, to wit, those comprised in the resolutions hereafter following, said resolutions having been constitutionally adopted by the General Convention held in the city of Richmond, in October, 1907:

RESOLUTIONS.

I.

Prefix to the Constitution the following

PREAMBLE

CONSTITUTION

II.

Strike out Section 3 of Article I., and insert in place of it the following:

SECTION 3. Upon the expiration of the term of office of the Presiding Bishop, the General Convention shall elect the Presiding Bishop of the Church. The House of Bishops shall choose one of the Bishops having jurisdiction within the United States to be such Presiding Bishop, by the vote of a majority of all the Bishops entitled to vote in the House of Bishops, such choice to be subject to confirmation by the House of Deputies by vote of a majority of the Clerical and Lay Deputies of all the Dioceses entitled to representation in the House of Deputies, voting by orders.

The Presiding Bishop shall discharge such duties as may be prescribed by the Constitution and the Canons of the General Convention.

The Presiding Bishop so elected shall hold office for six years unless meanwhile he shall have reached the seventieth year of his age, when his tenure of office shall end in any case, or shall have resigned his Episcopal jurisdiction, or, with the consent of the General Convention, his office as Presiding Bishop, or, unless, for infirmity or other sufficient cause, he may have been relieved of such office by the General Convention by the concurrent vote, first of a majority of all the Bishops entitled to vote in the House of Bishops, and then of a majority of the Clerical and Lay Deputies of all the Dioceses entitled to representation in the House of Deputies, voting by orders.

The salary of the Presiding Bishop as such shall be fixed and paid by the General Convention, as may be provided by Canon of such Convention.

When, for any reason, a vacancy in the office shall occur, or if, by reason of infirmity, the Presiding Bishop shall become disabled, the House of Bishops shall elect one of its number to act as Presiding Bishop until the next meeting of the General Convention.

III.

Insert in Article II. as Section 4 the following, and renumber the present Section 4:

It shall be lawful for a Diocese, with the consent of the Bishop of that Diocese, to elect one or more Suffragan Bishops, without right of succession, and with seat and without vote in the House of Bishops. A Suffragan Bishop shall be consecrated and hold office under such conditions and limitations other than those provided in this Article as may be provided by Canons of the General Convention. He shall be eligible as Bishop or Bishop-Co-adjutor of a Diocese, or as a Suffragan in another Diocese, or he may be elected by the House of Bishops as a Missionary Bishop.

IV.

Add to the second paragraph of Article IX. of the Constitution the following sentence, namely:

The General Convention may also provide by Canon for the trial of a Presbyter or Deacon in the Diocese or Missionary District in which an offence is alleged to have been committed by him.

V.

Add to Article X. at the end thereof the following proviso:

And provided further, that in editions of the Book of Common Prayer in foreign languages, such verbal alterations as may be necessary to adapt the same to local conditions may be made by the authority of the Bishop of the Diocese or Missionary District in which it is used, subject to the approval of the Presiding Bishop.

By request of the Secretary of the General Convention the Secretary also gave notice of terms on which copies of the Journal of the last General Convention could be purchased.

Mr. John N. Carpender read the following report, and the resolutions were, on motion, adopted:

The Finance Committee beg leave to report that they have made their assessments for the amount of expenses of the Diocese for the fiscal year, and offer the following resolutions:

(1)—*Resolved*, That the canonical assessment of seven per cent. be made upon their salaries as reported, of incumbents of Parishes that have not given their bonds to the Trustees of the Episcopal Fund, or otherwise contributed to said Fund.

(2)—*Resolved*, That an assessment of two per cent. be made upon the Parishes in accordance with salaries of incumbents, to meet the necessary expenses of the Convention.

(3)—*Resolved*, That the Trustees of the Episcopal Fund be authorized to remit the balance due April 1, 1908, from Trinity Church, Asbury Park, for interest on its Parish Bond, upon the payment of \$84.

WHEREAS, the Trustees of the Episcopal Fund of the Diocese to whom the aforesaid bonds and money have been given and who hold the same, have agreed to cancel and return the said Parish bonds to the Parishes that have contributed Parish bonds to the Episcopal Fund, and have agreed to credit the Parishes that have contributed money to the Episcopal Fund with the amount so contributed upon any assessment that may hereafter be levied for the support of the Episcopate of the Diocese, provided, that said Parishes give up all rights of exemption from assessment for the support of the Episcopate of the Diocese which they now have under provisions of the above mentioned canon, the form of such agreements being set out in Schedules A and B hereto annexed; and the list of the Parishes having given bonds or money being set out in Schedule C hereto annexed; and

WHEREAS, in the opinion of this Convention it is very necessary that the exemptions secured by the Parishes of the Diocese be given up, in order that the burden of the support of the Episcopate may be equalized among all the Parishes of the Diocese; now, therefore, be it

Resolved, That the action of the Trustees of the Episcopal Fund in agreeing as aforesaid with the Parishes of the Diocese is hereby ratified and approved; and be it further

Proposed amendment to Title I, Canon 3:

Strike out all of Section 1, and insert the following in its place, so it will read:

SECTION 1.—At every Annual Convention there shall be appointed a Finance Committee, consisting of five (5) Laymen whose duty it shall be to make assessments on the Parishes;

First, in aid of the Episcopal Fund, which shall be at the rate fixed by said Committee on the salaries paid by the Parishes to their respective ministers.

Second, for printing the Journal; expenses of the Standing Committee and for the Examining Chaplains, for the quota towards the expenses of the General Convention, and other expenses of this Convention, which shall be in the ratio of said Rectors' salaries.

The Committee shall report to the Convention during the session at which such assessments are made, the percentage assessed on the different Parishes of the Diocese; on which report the Convention shall take action.

Provided, That in making the assessment for the Episcopal Fund the amount contributed in cash by any Parish shall be credited to the amount of the Rector's salary before such assessment is levied.

Proposed amendment to Constitution.

Amendment to Article 4, Section 4, Sub-section 2 by striking out the present Sub-section and inserting the following:

In case the Parish sending such deputies shall for two successive years have failed to pay the proper officer the assessment levied

upon said Parish for the support of the Episcopate, or such sum assessed for Diocesan or Convention expenses, unless the same shall have been remitted by action of the Convention.

The matter was made the special order of business immediately after the meeting of Convention tomorrow morning.

The Rev. E. Vicars Stevenson, president, presented the following:

REPORT OF THE PERMANENT SUNDAY SCHOOL COMMISSION OF THE DIOCESE OF NEW JERSEY.

The Sunday School Commission of the Diocese has during the past year sustained many changes in its membership, notably by the elevation of its President to the Episcopate, and through other appointments by the Bishop.

The new Commission met for organization on November 4th, 1907, and elected the Rev. E. V. Stevenson, President, and the Rev. R. E. Brestell, Secretary. Since this date your Commission has held six meetings to discuss Sunday School conditions in the Diocese and to devise means for more effective work. On March 2nd the Rev. Mr. Brestell's resignation was received and accepted with reluctance, and the Rev. Henry Hale Sleeper was elected Secretary in his stead.

We have the deep conviction that the most fundamental need in the Diocese is a realization of the vital importance of the Sunday School in the Church's life. We are convinced that parents and sponsors, and to some extent Rectors of parishes, are not sufficiently alive to the urgent need of well equipped and properly administered Sunday Schools, as parochial agencies for giving religious instruction, arousing Christian enthusiasm and imparting missionary zeal. Your Commission has arranged a public meeting to be held during the Convention to promote these objects, and it is our good fortune to be able to announce an address at this time by an eminent Sunday School worker, Mr. George C. Thomas of Philadelphia. We trust that the Convention will regard the work of the Sunday School as sufficiently urgent to dispense as far as possible with all other matters at this meeting in order that time may be permitted for full and effective discussion.

We feel that the Church has too long neglected the use of modern methods.

We commend the course followed by the Commission last year in sending a delegate to the Summer School of Methods at Asbury

Park; and we are very grateful for the presence of the Rev. Thomas A. Conover at that institution. The influence of the Rev. Mr. Conover's teaching at this school may be seen in the change of lesson outlines by the New Jersey Sunday School Association.

In making further recommendations we offer general suggestions that may be adapted to local circumstances. We make no attempt to deal with particular cases. The different schools vary so much in size and capacity that such recommendations are undesirable. Through similar considerations we have not submitted any fixed plan of study. We regard it as essential that each Rector or Superintendent provide such a scheme as the circumstances may require. It is, however, essential to the best arrangement of subjects, that Rectors or Superintendents should be more familiar with the latest and best Sunday School literature and as an aid thereto your Commission appends to this report a list of publications available and valuable for this service. We also add samples of three or four curricula in operation in different schools.

The Commission recommends the employment of a Diocesan Field Secretary to visit each Parish and Mission with the permission of the Clergyman in charge. His duty would be to study local needs and recommend methods adapted to meet them, and to make reports to the Commission. By this means we believe that the interest and effectiveness of Sunday School work would be materially advanced in the Diocese.

A fuller consideration and application of the newest methods of child study and pedagogy should be had in all schools from the smallest to the largest. So much valuable literature on these subjects is available that we feel it necessary only to call attention briefly to the matter.

The grading of scholars according to age or mental attainment is indispensable. We can best teach and only really reach the child in proportion to our appreciation of his age and mental capacity.

We consider it the duty of Rectors or Superintendents to see that teachers are properly trained either by the Rector personally, or through some qualified deputy. Several such training classes are already successfully in operation in the Diocese. The lack of Seminary preparation for Sunday School work may be remedied by the study of modern literature on this subject.

As a further aid to the application of scientific methods and the study of local needs, we recommend the formation of Sunday School Associations at various convenient points in the Diocese where two or more Schools may meet together for mutual conference and for lectures by specialists. Such groups, organized at convenient points,

would prove very useful. In Elizabeth there is such an association, which includes the six Church schools of the city.

The Church as an organization gets 95 per cent. of its ministers, 85 per cent. of its members and 75 per cent. of its church organizations out of the Sunday School, while but one per cent. of its money is spent for the Sunday School. In every Church, any one who wishes to be fitted to be a deaconess, trained nurse, missionary or Bible reader, finds schools and funds available for the training, furnished by the Church. But if one wishes to be fitted for the holy calling of Sunday School teacher there is no such provision; and all the Schools and Institutions that give such training have grown up from organizations of the teachers themselves and because of the need which they have felt of being better qualified for their work.

The parish priest is by virtue of his office the authorized religious teacher of his people. It is, however, always true that some clergymen, as well as some laymen and women find it impossible to teach, deal with or talk to children; but if the minister of any Church could only teach the teachers, his influence would be multiplied and the work would be done.

We recommend that the Commission shall consist of ten members who are actively interested in Sunday School work and who are able to attend its meetings.

Courses of Instruction.

Valuable suggestions may be obtained from the courses of instruction prepared as follows:

By St. Agnes' Sunday School, New York City; St. Paul's Sunday School, Paterson, N. J.; a Curriculum prepared by the Rev. John A. Carr, Lambertville, N. J.; Grace Church, Plainfield, N. J.

The report was received and made the special order for tomorrow morning after the disposal of the matter of contributions to the Episcopal Fund.

The Rev. Mr. Stevenson read the following report of the Special Committee on Change of Statute Law:

Pursuant to motions adopted by this Convention in session at St. Michael's Church, Trenton, May 14th, and Wednesday, May 15th, 1907, your Committee, appointed by the President, begs to report as follows:

That the Diocese of Newark, acting upon the formal request from the Diocese of New Jersey duly appointed a Committee to confer with your representatives regarding changes in the Statute Law, and "jointly to prepare such amendment to the Act as will enable each parish at an annual or special meeting called for the election of Wardens and Vestrymen, to have two or more ballots at the same meeting to fill said offices; such amendment when agreed upon to be submitted to the Legislature for consideration and adoption." The representatives appointed by the Diocese of Newark to meet with your Committee consisted of the Rev. Edwin A. White, Judge Frederick Adams, and Hon. Archibald S. Alexander.

By appointment the Joint Commission held two meetings in Judge

Adams' chambers at the Court House, Newark, and in accordance with the instructions of their respective Conventions finally agreed upon the following manner of amending the Act entitled "A Supplement to an Act, entitled an Act to Incorporate Trustees of Religious Societies, approved April 9th," etc., namely to insert in Section 9, Paragraph 3, immediately after the words "three persons shall constitute a quorum," the following:

"In the event of failure to elect on the first ballot the required number of Wardens and Vestrymen to be elected at said meeting, one or more further ballots shall be taken in the manner hereinbefore provided."

The amendment so prepared was duly presented to the Legislature of the State of New Jersey in session at Trenton, passed by both Houses, and has been approved by the Governor of the said State of New Jersey, on the seventh day of April, 1908, and has become operative since the days of its signature.

The legislation governing elections of parishes in the State of New Jersey therefore now in force reads as follows:

"The Rector shall preside, with the right to vote, or in the event of his absence, or if no Rector be settled in the parish, the meeting shall choose one of the wardens, or if neither of the wardens be present, one of the vestrymen, or if no vestrymen be present, then some duly qualified voter to act as chairman. The secretary of the vestry, or in his absence some person appointed by the chair, shall enter the proceedings in the minute book of the vestry, and shall sign the same together with the chairman. The qualifications for voters, and for such officers as may be elected by the meeting, shall be provided from time to time by the Constitution and Canons of the Protestant Episcopal Church in the Diocese in which any such parish may be located. The chairman shall be the judge of the qualifications of the voters, shall receive the votes and declare the result. The election shall be by ballot, and the polls shall remain open for one-half hour, and for such longer time as may be required to receive the ballots of such persons as may be present and ready to vote; three persons shall constitute a quorum. In the event of failure to elect on the first ballot the required number of wardens or vestrymen, to be elected at said meeting, one or more further ballots shall then be taken in the manner hereinbefore provided."

Your Committee moves the acceptance of this report, and further that the Secretary of the Diocese shall be instructed to have the paragraph as amended printed in full in a conspicuous place in the Convention Journal of the present year for the guidance and direction of officers presiding hereafter at the Annual Election of parishes.

With this report we beg to submit certified copy of the Act referred to.

Signed on behalf of the Committee,

E VICARS STEVENSON,

J. B. DUMONT,

BAYARD STOCKTON,

Committee.

After discussion, the report was accepted and the recommendations adopted.

Resolved, That the Diocese of New Jersey, in Convention assembled, extends sympathy to the Diocese of Washington in the loss sustained by it and the whole Church in the death of Bishop Satterlee, praying for the guidance of the Church's Divine Head in the choice of a Bishop to develop work so well begun and forwarded.

On motion of Mr. John N. Carpenter, of the Finance Committee, it was

Resolved, That the arrears due the Treasurer of the Convention from Ascension Church, Gloucester, for Convention expenses, \$60.25, and for Bishop's salary, \$230.75, total, \$291.00, be remitted.

The Rev. Mr. Stoddard reported for the Committee on the Entertainment of the Convention, and the Committee was discharged from further consideration of the subject.

On invitation of the Rev. Mr. Olmsted, and subject to the approval of the Right Reverend the Bishop, St. Mary's Church, Burlington, was fixed as the place of meeting of the next Convention.

On motion of the Rev. Dr. Neilson it was

Resolved, That the Diocese of New Jersey, in Convention assembled,

send greetings to the Diocese of Pennsylvania, and pray that God's blessing may rest upon them in their work.

The Rev. Dr. Glazebrook, of the Committee on Constitution and Canons, reported favorably on the proposed amendment to Article IV, Section 4, subsection 2, of the Constitution. The report was accepted and the amendment adopted, subject to action by the next Convention.

The Committee also reported recommending that action on the proposed amendment to Title I, Canon 3, be laid over until the proposed constitutional amendment be adopted.

On motion this report was accepted and the recommendation adopted.

The preamble and resolution presented at yesterday's session by Mr. John N. Carpender on behalf of the Trustees of the Episcopal Fund, devising a new method of raising the Diocesan apportionment for the Episcopal Fund, were then adopted, and the Secretary was instructed to have the whole report, together with the accompanying schedules, printed in the Journal.

The report of the Sunday School Commission of the Diocese then being the order of the day, the Rev. E. Vicars Stevenson moved the following:

Resolved, That we commend the course followed by the Commission last year in sending a delegate to the Summer School of Methods at Asbury Park; and we are very grateful for the presence of the Rev. Thomas A. Conover at that institution.

Adopted.

Mr. Stevenson also moved the following:

Resolved, That a Diocesan Field Secretary be appointed to visit each Parish and Mission with the permission of the clergyman in

charge; his duty to be to study local needs and recommend methods to meet them.

On motion of Mr. Shreve the recommendation was referred back to the Commission to report details of the proposed plan at the next meeting of Convention.

On motion of the Rev. Mr. Perkins, it was

Resolved, That the Sunday School Commission be requested to prepare and present to the next Convention a canon defining the membership, duties, terms of office and other details of formation of a Permanent Sunday School Commission.

On motion of the Rev. Dr. Baker, it was

Resolved, the Bishop concurring, That a committee of five clergymen and five laymen be appointed to consider the expediency and practicability of the establishment of a cathedral system in the Diocese; the Cathedral Staff, besides discharging the ordinary functions of such a body, to have general charge of such missionary or other work in the Diocese as may be deemed advisable by the Convention.

Under this resolution the Right Reverend the Bishop appointed as the Committee: The Rev. A. B. Baker, D. D., the Rev. Charles M. Perkins, the Rev. Thomas A. Conover, the Rev. James F. Olmsted, B. D., the Rev. Hamilton Schuyler, and Messrs. William D'Olier, Moses Taylor Pyne, George A. Armour, Augustus A. DeVoe, and Harry Humphreys; with the Chancellor, Mr. Bayard Stockton, as Consulting Member.

On motion of the Rev. P. M. Wood, it was

Resolved, That the Trustees of Church Property of the Diocese of New Jersey be and they are hereby authorized to exchange two lots at Garwood, New Jersey, being Nos. 23 and 24 on Plot 18, intended for St. Mark's Mission, for certain other lots, Nos. 27 and 28, on Plot 18, and the sum of \$25 to be paid toward the building fund of St. Mark's Mission, and also the cost of conveyancing to be paid by Mr. B. Ulmer, who proposes to make such exchange and pay the cost thereof.

On motion of the Rev. Mr. Stoddard, it was

Resolved, That the discussion of the proposed Missionary Canon be indefinitely postponed.

On motion of the Rev. Mr. Brestell, it was

Resolved, That 1,200 copies of the Journal of this Convention be printed and distributed, as usual, by the Secretary.

On motion of Mr. J. H. Carpenter, it was

Resolved, That the thanks of the Convention be tendered the pages, Edwin A. Goodchild, Clifford Pierson, G. W. Wilmot, Jr., Howard Hilton, Edward S. Hoe, Wesley Rastall, Nathan Becker and Ernest Heidingsfeld, for their efficient work in assistance to the Secretaries of the Convention.

On motion of the Rev. Mr. Baily:

Resolved, That the Treasurer be instructed to pay to the sexton of Christ Church, New Brunswick, the usual fee for his services during the meeting of the Convention.

On motion of the Rev. Mr. Thompson, it was

Resolved, That the thanks of the Convention be extended to the Rector, Wardens, Vestry and members of this parish and the parish of St. John the Evangelist and to the Churchmen of New Brunswick for their kind hospitality to the deputies of the said Convention.

The Rev. Mr. Perkins reported for the Standing Committee that they had organized by the election of the Rev. A. B. Baker, D. D., as President and the Rev. C. M. Perkins as Secretary.

The minutes of the day's session were then read and approved.

The Bishop addressed a few words to the members of the

Convention, said the closing Prayers, gave the Benediction, and declared the Convention adjourned *sine die*.

**Thirty-fourth Annual Address of the Rt. Rev.
John Scarborough, D. D. LL. D.,
Bishop of the Diocese.**

DEAR BRETHREN OF THE CLERGY AND LAITY:

We are assembled here as the guests of this venerable parish, where at the close of a long and exhausting war, after peace had been restored, and the independence of Church and State assured, the first conference was held to consider the sad condition of the Church and devise means for its revival. Only a little band of faithful Churchmen remained, but they had the courage of their convictions, and in the face of difficulties that men less in earnest might have thought impossible to overcome they determined to rise and build again on the old foundations. In the days of our prosperity we must not forget the debt of gratitude we owe to those brave pioneers—those Fathers in the Faith, who endured privations and self-denials for the Church they loved, that we might enter in and enjoy the fruits of their labors. At the close of a century of independent life the Church met here again, as most of you remember, to gather up the tangled threads of history, and tell the wonderful works of God, looking back through the intervening space of one hundred years. They came not as they who first came, a struggling little band. There came two great Dioceses, with a large company of the faithful, to recall the days of weakness and trial, but far more, with grateful hearts to offer up their thanksgiving to the Head of the Church for the many blessings vouchsafed in the past and to gather new hope and courage for the future.

The first Bishop of New Jersey declined an election to the Diocese of Connecticut, preferring to share in the privations

and poverty of his native State. Here he ministered for many years, as Rector and Bishop. Here he finished his earthly labors and found his last resting place, and a grateful Diocese could not devise or do a more fitting thing than rear a monument to his memory here, where he toiled faithfully through the day of small things, laying deep and strong foundations on which we have builded. The story of those early days has never half been told, or if told, forgotten.

With this brief and hasty glance at the past, let us turn now to the present and reverently recall the names of some who have finished their earthly course, and entered into life eternal, during the convention year. Three Bishops have been called hence, with a suddenness that was truly startling, and a fourth has just been added. Bishop Coleman, of Delaware, with a good-night blessing on his lips, closed his eyes in sleep and opened them again in Paradise. As the oldest Bishop, by right of office, present at the burial service it fell to my lot to stand by the open grave side, and commit his body to the ground, in the firm hope of a joyful resurrection. Bishop Worthington, of Nebraska, had only just begun the duty laid upon him of visiting the Churches in foreign lands, when he was bidden of the Master to lay the work down and forever rest from his labors. He died in France, from a serious affection of the heart that had for years prevented him from living and laboring in his Western Diocese. The whole Church was startled and shocked by the unlooked for, and seemingly untimely taking off of Bishop Satterlee, who was still in the prime and strength of manhood. Only a few months before the sad event I was present, with many others, at the great service of laying the corner stone of the National Cathedral in Washington, a grand consummation and a crowning of his efforts, as we look back to it now, but as it seemed then, only the inception of a tremendous task still before him. He had grand ideals in his mind, and it may not be easy to find another who can change those ideals into realities. The vacant place may be hard to fill. Only a few days ago, Bishop

Capers, of South Carolina, after years of constrained idleness and inability, found relief in death. The son of a Methodist Bishop, he changed his ecclesiastical relations in early life, from strong convictions, and this Church had no more loyal son in the ranks of her ministry. He was universally beloved.

The Bishop of Albany has been called to pass through a series of great trials and sorrows. His wife and her two remaining sisters, in the space of a few weeks, followed each other to the grave. The outpouring of love and sympathy, from many quarters, has helped him to bear all with calm and holy resignation.

Two names have been stricken from our clergy list by the hand of death during the convention year. The Rev. Thomas Logan Murphy, for a long time Rector of the Church of the Holy Cross, North Plainfield, found his rest, just as the Church was making ready for the glad feast of the Nativity. The Rev. Erskine Mason Rodman, Rector Emeritus of Grace Church, Plainfield, was called home suddenly on Passion Sunday. News of his death reached the Parish Church just at the close of the Communion office, when the "Nunc Dimittis" was being sung. The commendatory prayer was said, and the tearful congregation dismissed. The whole Diocese will share in the sorrow of those to whom he had ministered for more than a third of a century. I add another name, that of the Rev. William B. Bodine, D. D., who, though not canonically resident, had the charge of St. James' Church, Elberon, for many years, through the summer months. He was a man of rare gifts, both as writer and preacher.

Of the laity I might name a long list of those who have been called to go up higher since we last met, but I must content myself with naming only a few of those best known. J. Howard Sinnickson, the Warden of St. John's Church, Salem, and for many years a Deputy to the Convention of the Diocese, was a man greatly beloved and greatly honored by all who knew him. Charles F. Hugg, Warden of Trinity

Church, Moorestown, was for successive years a member of this body. He survived his wife only by a few weeks, and both will be greatly missed in the life and work of the Parish. William P. Barber, who long served as Vesteryman and Warden of Christ Church, Elizabeth, as well as Lay Reader and chorister, was a man of sterling worth and rare beauty of life and character. Duty to his Church was always his first care. Such men are not over plenty in this day. James H. Stoddart, a devout and earnest communicant, Warden of St. John's Church, Sewaren, was perhaps more widely known as an artist of high standing on the stage than for his place and work in the Church. His calling as an actor never interfered with his duty as a Christian. Mrs. Augustus A. De Voe, Mrs. James Parker, Mrs. Admiral Emmons and Mrs. Thomas Whitney are among the devout and holy women who have finished their course in faith, and now rest from their labors. They will be sadly missed in all the relations of life, in the home and in the Church, as well as in the community. Let us thank God for their good example, and pray for grace that we may be enabled to follow in their footsteps and share with them in the victory of the great on-coming day. Saint Andrew's rectory, Mount Holly, is the poorer for a dear child given back to God. We must not cease to pray for the restoration to health of the Warden of that Parish, Charles Ewan Merritt, to whom the Diocese owes a large debt for the care of its funds during a third of a century. We have good hope that he may be spared for many years.

The following named persons have left legacies to the Church by their last wills: Mrs. Bibb, of Alabama, a daughter of the late Ralph Marsh, who built the Church of the Holy Comforter, Rahway, left that Church \$1,500; Mrs. Effingham Nichols, formerly of Metuchen, left St. Luke's Church of that place \$1,000; Mrs. Dr. Ellis, of Burlington, left St. Mary's and St. Barnabas', of that city, a goodly sum; Miss Harrietta McDonough left Trinity Church, Trenton, her dwelling house, for the use of the Parish. William Hoo-

ton, of Trinity Church, Moorestown, remembered his parish Church in the distribution of his worldly goods.

By the recent death of Rufus West a legacy of \$14,000, by the provision of the will of the late Edmund West, comes to the Parish of St. James', Long Branch, for building a church near Oceanport, on the farm of Mr. West, known as Wolf Hill. Whether this legacy will be a boon to the Parish, or the opposite, remains to be seen. There is no great need of a church at or near the location named, and unless the terms of the will can be legally modified, so as to make the bequest practically applicable, St. James' Church may find itself in a dilemma, either to build a costly church where it is not needed and cannot be fairly supported, or else refuse the legacy, with impossible conditions attached. As a rule it is a mistake to tie up benefactions with hard and fast conditions, or for dead men to reserve the right of managing living affairs. Too many of the gifts of land to parishes or missions in this Diocese are hampered by a reversionary clause in the deed. Of late years I have declined all such gifts. If the donor cannot trust the future, and give title in fee simple, the Church had a great deal better buy and pay for its future site.

The location of St. George's Church, Rumson Hills, midway between the two main roads, skirting the north and south branches of the Shrewsbury River, and too remote from either, has proved not a happy choice. The expectation was that those beautiful hills would very soon be dotted with homes, and a large population gathered in the neighborhood of the church, but, on the contrary, every available foot of land was bought by men of large fortunes, who built their great mansions, with hundreds of acres about them, and thus the church was left to stand practically alone. Only those who had means of conveyance were able to attend the services. Under these limitations it was evident that it could never be the church of the people, but only a summer chapel for the rich. The late William Everard Strong was one of

the founders, and long time Warden of St. George's. During his life he saw very clearly the mistake made in the location, and had in his mind plans for removing the church to a new site, where it might come in closer contact with the life of the people, and better fulfill its mission. After his death his widow determined to carry out his hope and wish by building a memorial church, near Seabright, on the Rumson side of the Shrewsbury River. Her generous purpose met with universal approval. Land was secured near the river's edge; plans were chosen; the corner stone was laid, and the work is rapidly drawing near completion. It is built of New England granite, of early English style, and will cost not less than thirty-five or forty thousand dollars, when finished. The old church will be demolished, and the site sold, but the proceeds will become the nucleus of an endowment fund. There will be a resident Rector the year through, and thus a permanent congregation will be gathered in time. While the church will not be free, portions of it will be set apart for the transient worshippers and for those who may not be able to pay pew rents. I am sure I may express to Mrs. Strong, on behalf of the Diocese, our appreciation of her beautiful gift, bestowed without any conditions attached, not even bearing the name of the good man whose memorial it is, but retaining only its historic title "St. George's Church."

Although the events of the late General Convention are still fresh in the minds and thought of the Church, it may not be amiss to take a backward glance at some of its most important doings, which have already passed into history. Jamestown, so long neglected, and almost forgotten by Churchmen outside of Virginia, has at last come to its own. Jamestown, the very cradle, as it were, wherein a new born continent was rocked, the first permanent settlement of the English emigrants on this side of the Atlantic, who brought with them to their new home both the Bible and the Church, is no longer an obscure island or an unfamiliar name. It is known and honored everywhere. Words would fail me if I

were to attempt to tell you the thrill of pride and joy I felt, as I stood where Robert Hunt had stood and knelt where he and his companions knelt, to join in the same prayers which they used, out of the Liturgy of the Mother Church, and tried to picture in imagination that earliest scene in American history. The very soil seemed sacred. That island in the James River should have belonged to the whole American Church by purchase, for it is destined to become a very mecca to every generation of Churchmen. The Government of the United States is spending large sums of money for its preservation and protection. The Society for the Preservation of Antiquities in Virginia holds the title by gift from the State, and will see to it that it is sacredly guarded from the hand of the vandal and destroyer.

There is a wide difference of opinion as to the character and importance of the work accomplished. Perhaps the leading feature of that great Assembly was the enthusiastic and sustained interest in the missions of the Church at home and abroad. Great throngs gathered daily to hear the story of mission work told by those who are actively engaged in it. The Missionary Episcopate was extended, by re-arranging the districts and choosing additional Bishops for the domestic field. Four were chosen, and three accepted, one of these a Presbyterian of this Diocese, where his entire ministry was spent. The presence of the Bishops of London and St. Albans, and several Canadian Bishops, added interest to the occasion. Other Bishops of London had jurisdiction here for many years, but as far as I can remember the present Bishop is the first that ever set foot on American soil.

Several of the most important subjects before the Convention were relegated to the future. Among these were a court of appeals, the question of provinces, and a more stringent law on the marriage of persons divorced framed after the pattern of our own action a year ago.

One of the most important questions was the petition of a large body of colored clergymen for a Missionary Bishop of

their own race. After long and earnest discussion this request was practically denied, and as a substitute it was determined to change the Constitution and revive the order of Suffragan Bishops, which, until a late day, was prohibited in this Church by law. As was expected, this expedient is not satisfactory, for the reason that it introduces a new type of Bishop, with a seat but no vote in the House of Bishops, and without the right of succession to the see and office of the Diocesan. If this change shall be ratified three years hence, which I very much doubt, instead of Bishops Co-adjutor as now, with the right of succession, we may have any number of Suffragans, whose office and work will cease with the death of the Diocesan. The Church of England has long had Suffragans, but the transfer of Bishops from one see to another changes conditions very materially. I doubt if this Church will ever create class Bishops, either white or black. In this opinion I may be wrong, but in my judgment some modified form of the Missionary Episcopate will be the best solution of this great problem, and best fit in with our present legislation.

The Men's Thank Offering fell very far short of the expectation of the Church. When the deficit of the Mission Board was made good, and the designated offerings were withdrawn, but for two or three large personal gifts there would have been little left to divide among the missionaries. The Deputies favored a continuance of the effort, but the Bishops did not, fearing that it might interfere with the regular accustomed offerings to the Board of Missions. According to its financial ability, this Diocese gave its fair proportion, but there is small room for boasting. For some reason this Church of ours does not enter with enthusiasm on the task of raising large sums of money for special uses. Every trial seems to have failed. Notwithstanding this, the late General Convention created a commission to raise five millions of dollars, in the next three years, to provide a pension for aged or disabled clergymen of the whole Church.

This is an object that I am sure will stir the hearts of many, as an ordinary appeal would not. If this Convention is in sympathy with that venture, as I am sure it is, I would be glad if a resolution to that effect were put on record, and a committee of both orders chosen to co-operate with the central authority in carrying out the scheme.

I want to add a word about our missionary apportionment, a subject which is well worn and, I fear, distasteful to some. Last year our offerings fell short of meeting the portion assigned to this Diocese by several thousands of dollars and so far this year we are falling behind that record, while the Board is compelled to borrow money to meet current obligations. Missionary zeal is a very good thing if it leads to practical results and does not end in mere sentiment. It is all very well to carve out new missionary districts, or permit Dioceses to cut off their most unproductive portions, and then send Bishops out, too often empty-handed, to make bricks without straw. For the first time in its history the Board of Missions has appropriated, on the faith of the Church, more than a million dollars, a large increase, which is seemingly being met with diminishing receipts. Let me make a suggestion on the Board's behalf. The Clergy, as a rule, defer the missionary offerings till after Easter, and till all parochial claims have been met. In the early summer the parishioners, most of those best able to contribute, scatter to the mountains or the sea-shore, with the apportionment not met, or only partially paid. By September they begin to return, but no active work is undertaken till later in the autumn. The Board's financial year begins and ends September first. It is easy to understand, therefore, how parishes fall into arrears. If the apportionment could be met before June or July, there would be no deficit at the end of the year and your Board would be spared great anxiety. I wish the Clergy might adopt this plan, or one as good.

I have already claimed too much of your time in discussing matters that pertain to the general Church, but I crave your

patience a little longer, to call your attention to a matter of very grave importance that is troubling many earnest souls in our household of faith. When Canon 19, as amended in the House of Bishops, came up for its final adoption, there was nothing obscure in its meaning that I could discover. It seemed simple and easy to understand. The limitation to "special occasions" could not possibly be so twisted as to mean "ordinary occasions" of public worship. I supposed it might refer to laymen of our own Church, or to some outside of our Church and ministry, endowed with special gifts or special knowledge in some unusual line of thought or action, perhaps as specialists in the study of social reforms, touching the life and sacredness of the family, or child labor, or any one of the many questions of the day, who might be called in with the consent of the Bishop, not to teach theology, or emphasize differences, but to give information on some special topic of interest, for which experience or study had fitted them. I thought, and I still think, my interpretation of the qualifying words "special occasions" just what any plain man would take them to mean, and I am at a loss to know or understand how the words can be construed to mean anything else, or anything more. I have no right to find fault with those who differ from me and read a meaning into the words that I fail to see in them, but I claim the right to use my own best judgment in deciding the meaning of familiar English words.

While I say this I feel bound to say further that I do not share in the fears and over anxiety of some who seem to think that the Church is cutting loose from its moorings and drifting on the rocks and quicksands because of a few irregularities here and there. There is no such danger. The foundations are sure. The preface to the ordinal states, in no uncertain terms, the law of the Church as to the orders of the ministry, and no canon can change or override the rubrics. They admit of neither addition nor omission.

I do hope that the next General Convention will either undo

legislation about which there is such room for difference of interpretation, or give such definition of its intent as will make its meaning clear, and thus relieve the consciences of those who are distressed by the present seeming looseness of practise, under the guise of law. If the Church means what is ordinarily understood by the phrase "an open pulpit" let it be so stated, clearly and distinctly, in plain words, and free from obscurity, that all may know the mind of the Church. That the amended canon was meant to be restrictive in its provisions, is very clear to my mind, enlarging the powers of the Bishop in issuing licenses to others approved by him as well as to Lay Readers "to make addresses" on conditions specified in the canon. On the Bishop, therefore, rests the responsibility for any irregularities or breaches of the law.

There is a spirit of unrest abroad in the Christian world to-day manifesting itself in many directions and in various forms. Quite recently it has come to light, though long suspected, that there are some ministering at our altars, in apparent honesty, who are looking with longing gaze to the Vatican for recognition, anxious to ally themselves with the Papacy, and accept its every dogma old or new. Such men are disloyal and betrayers, and a source of weakness to the Church while they remain in it. We long and pray for the restoration of Church unity, but it will never come from that direction. Rome will make no concessions. She will recognize no Baptism, Confirmation or Ministry but her own as valid. There must be absolute and unconditional submission, and they who are looking and hoping for any compromise in that quarter will surely be disappointed of their hope. As honest men they should not halt long between two opinions, but boldly make the venture which their consciences seem to approve and demand and seek more congenial associations.

The unsettled condition of business for most of the year past has greatly restricted church building, and there is but slight progress to report in that direction.

St. James' Church, Atlantic City, has completed the work

of encasing its wooden structure with stone, and making it on the outside practically a new Church. There remains only a small indebtedness on church and rectory. The Church of the Ascension, Atlantic City, has greatly increased its work. The new parish hall has been completed and dedicated, largely for the use of men. It contains a chapel and a residence for the Priest in charge of the work, as well as a great room for the Men's Guild. The Chapel of the Good Shepherd, near the light-house, is a new venture, and a promising one. A generous piece of land was bought, with a dwelling on it, which makes a good home for the Missionary and his family. On adjoining land a chapel has been erected, seating more than two hundred people. The basement of the rectory is fitted up as a guild room. Altogether there has been an expenditure of about ten thousand dollars. The clerical force of the Parish has been doubled to make all this work possible. The Chapel of All Saints', Chelsea, is amply self-supporting. There are four Priests beside the Rector, engaged in carrying on the work of the parish Church and its Missions.

St. Mark's Church, Pleasantville, built of concrete blocks, is a great success, architecturally, and is proving itself a real need in that growing suburb of Atlantic City. It was presented for consecration by the Rev. Mr. Speakman, Minister in charge, who deserves great praise for his careful oversight of the construction.

Holy Trinity, Ocean City, is destined to become a strong parish in the near future. It has just freed itself from a large indebtedness. Its property is safely vested in the Trustees of the Diocese. It is entirely self-supporting, open the year through, and recently presented for consecration. It now makes application for admission to the Convention. We extend a cordial greeting to its Rector as a member of this body.

The Rector of St. Thomas' Church, Glassboro, has begun a most promising work at Pitman Grove. A good site has been donated, plans adopted, the foundation laid, and unless

some unforeseen hindrance comes the work will be pushed to a speedy finish.

Grace Church, Haddonfield, has enlarged its rectory at considerable cost, and St. Mary's, Haddon Heights, a Mission under the care of the Rector, is getting ready to build for itself a modest place of worship, on land owned and paid for.

St. John's, Maple Shade, is free from debt and awaiting consecration. A very rich memorial window in the church bears the name of the Rev. Richard G. Moses, founder and for many years Minister of the Mission.

The interior of St. Mary's, Burlington, has been renewed and beautified, at considerable cost. St. Mary's Hall has recently expended a generous sum on permanent improvements, and I venture to say there is no better equipped school in all this land. I take great satisfaction in the prosperity which has filled every room with pupils. I have been its President for a longer period than any of my predecessors. On June 3d next it will celebrate the seventy-third anniversary of its founding, and its seventy-second commencement day. The Rev. Hamilton Schuyler will be the baccalaureate preacher on the previous Sunday, and Bishop Gailor, of Tennessee, will be the commencement orator. Any member of this body will be made welcome, whether formally invited or not. Very few of either the Clergy or Laity of the Diocese have intimate knowledge of this, the oldest Church school in the country, and hence its patronage is drawn chiefly from other sources.

St. James', Trenton, is entirely self-supporting and growing rapidly. Its enlargement has been completed, though not all paid for, and very soon a parish will be organized.

On Sunday next, May 10th, Trinity Church, Princeton, will celebrate the seventy-fifth anniversary of its founding. The present Rector, whose name stands first on our clergy list, has served the Parish for forty-two years most acceptably—more than half the period of its existence. I am sure he will

receive congratulations for his long and successful rectorship and good wishes, many, for the future.

St. Luke's, Roselle, has laid the foundation of a new Church, which the Parish greatly needed. If the architect's design is carried out it will be an imposing structure and large enough for future growth and needs.

Westfield has purchased a fine property nearly adjoining the church lands, large enough for rectory and parish house combined.

All Saints', Scotch Plains, saw the end of a long struggle with a heavy debt when the church was presented for consecration free from all incumbrance and meet for the Master's use.

The Church of the Holy Cross, North Plainfield, has cleared off its parish debt, and is prospering greatly.

St. John's, Somerville, has purchased a rectory just opposite the church for \$6,000, which is all paid for.

There have been many loving gifts and memorials offered, but time will not permit me to enumerate them all.

From the hasty survey I have made it will be seen that in spite of unsettled financial conditions throughout the country this Diocese has made good progress in material things, and, thank God, signs of spiritual advancement are not wanting. Much more might have been done in the way of Church extension, if the means had been in hand for entering upon new work. There are growing settlements, especially in the southern portion of the Diocese, where longer delay on our part to establish missions will be the losing of an opportunity.

The Associate Mission covers a good deal of ground. One of the difficulties it has to contend with is the frequent changes in the working force. The ordinations in this Diocese are so few that I can no longer count on a sufficient number of Deacons to supply the need and fill the vacant places of those who are called to serve in parishes.

The reports of the Deans will furnish all needed details of

our Mission work, and it is not necessary that I should go over the same ground. There is one phase of this work that I desire to emphasize and commend. Many of our Parishes have Missions of their own and as a rule they are among the most successful. It adds something to the labors of the Rector, but it serves to quicken the life of the Parish, by enlisting helpers from the laity. I could name instances, not a few, where strong, self-sustaining Parishes have grown from the seed sown in faith in some neighboring hamlet or town. I could name more than one Mission where a zealous man or woman gave time and means and labor to the building up of a struggling and weak endeavor into proportions that were hardly dreamed of at first. I wish every self-sustaining Parish might have its own Mission, for the good that would re-act on its own life and for the extension of God's Kingdom.

There is to be a great Missionary Congress in London next June, representing every portion of the known world. I have appointed delegates, clerical and lay, from this Diocese, but much as I would appreciate the privilege and honor of being present at such a gathering, and in such a cause, I think it the part of prudence to remain at home, and I have already planned my work for the summer, visiting the churches on the shore. The Lambeth Conference meets in July and it would be a great privilege to meet the Bishops from every quarter of the globe, assembled in council under that venerable roof where I have received many courtesies in the past, but I have concluded to deny myself the great pleasure. Most of those I met a third of a century ago have finished their earthly labors, and in that time four Archbishops of Canterbury have sat in St. Augustine's seat.

There are many questions in the social life of this day clamoring for an answer, and there are many forms of sinning demanding a remedy; gambling in high places, drunkenness, divorce, dishonesty and robbery, but this is not the proper place for the full and free discussion of such questions, important as they are. I might name a long, dark catalogue of

sins, all tending downward in their influence and obstacles in the way of the Church's growth. The Clergy ought not to turn their backs nor shut their eyes, but face boldly conditions that threaten to lower the ideals of living as Christians ought to live.

There have been fewer clerical changes in the Diocese than in any previous year of my episcopate, and I hail that as a good sign, a sign of longer and more permanent rectorships, which, as a rule, are most fruitful.

The childrens' Advent offering has helped me greatly in my work, and I owe them grateful thanks for their continued interest. Many parishes have aided me also, as the Diocese ordered many years ago. I do not report these sums to the Convention because they are included in the parochial returns. I make personal acknowledgment of them, and my books will show both receipts and expenditures.

The summary of my official acts for the year will be printed in the Journal, and need not be read in detail.

As I enter upon my thirty-fourth year as your Bishop, I look back through that long period with a heart full of gratitude for the many blessings received from God's hand, and the favor and love, far beyond my deserving, that both Clergy and Laity have bestowed upon me. Commending you, and the important interests you represent, to Him "without Whom nothing is strong, nothing is holy," let us together try to meet the duty of the hour, and plan wisely for the up-building and extension of the Church which is Christ's Body.

CHANGE OF CONSTITUTION AND CANONS.

Title IV, Canon VIII, Sec. 2, of the Diocesan Canons directs, that "When any alteration of the Constitution and Canons is made by the Convention, all such alterations shall be printed as amended in an appendix to the Journal of the Convention, and continued from year to year until such time as a new edition of the Constitution and Canons shall be ordered by the Convention. The appendix shall also show, by a foot-note, in what year the alterations were effected."

*As amended, Title II, Canon II, "Of Election of Church Officers," now reads:

SEC. 1. In every Church there shall be Divine Service on the day of the election of Church Officers, and immediately before the election is held.

SEC. 2. At the Annual Parish meeting (of which meeting the notice required by law shall be given) the qualified voters shall elect by ballot to serve for the ensuing year, by a majority of the votes cast, three Deputies and three Alternates to the Diocesan Convention, and such Wardens, Vestrymen, and other officers as may be provided for by the charter of the Parish or the laws of the State: *Provided*, however, that the said Deputies, Alternates, and Wardens shall be communicants, not under repulsion; and said Vestrymen shall be communicants, not under repulsion, if such suitable for the office can be had. In Parishes organized with Trustees, the qualifications of the Trustees shall be the same as for Vestrymen.

SEC. 3. The persons entitled to vote at any Parish meeting shall be male communicants or baptized males, of full age and good moral character, who adhere to this Church and to no other religious body, and who are habitual attendants upon the services of the Church of said Parish, and who, for six calendar months next before said meeting, have contributed to the current expenses of said Parish according to the mode or modes adopted therein. *Provided*, nevertheless, that no voter shall be permitted to exercise the right to vote who is not either a communicant received into the said Parish according to the

Canons, or a baptized person who has been accepted on his own written request to the Minister, or Warden, if there be no Minister. And the Minister, or Warden, if there be no Minister, shall keep a list of all who have been received into the Parish as voters, which list shall be open to the members of the Parish, if called for.

SEC. 4. No one shall be permitted to vote, or be eligible to office in more than one Parish in this Diocese; nor shall any one vote or hold office in any Parish, unless domiciled therein.

SEC. 5. No provision of this Canon shall apply to any Parish with whose Charter, or Act of Incorporation, such provision shall conflict.

*Adopted in Convention of 1907.

CHANGE OF STATUTE LAW.

AN ACT to amend an act entitled "A supplement to an act entitled 'An act to incorporate trustees of religious societies' (Revision), approved April ninth, one thousand eight hundred and seventy-five, and providing for the incorporation and management of congregations and parishes of the Protestant Episcopal church in this State, and repealing acts and parts of acts relating to religious societies, in so far as they affect or relate to the Protestant Episcopal church or congregations or parishes thereof," approved March twentieth, one thousand nine hundred and one.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Amend section nine of the act entitled "A supplement to an act entitled 'An act to incorporate trustees of religious societies' (Revision), approved April ninth, one thousand eight hundred and seventy-five, and providing for the incorporation and management of congregations and parishes of the Protestant Episcopal church in this State, and repealing sundry acts and parts of acts relating to religious societies, in so far as they affect or relate to the Protestant Episcopal church or congregations or parishes thereof," approved March twentieth, one thousand nine hundred and one, so as to read as follows:

9. The annual election of any such parish, hereafter incorporated, shall be held on such secular day in the week, commencing with the first Sunday in Advent, as may be designated in its certificate of incorporation; the annual election of any such parish heretofore incorporated shall be held on the day fixed by its charter or certificate of incorporation, but if no date shall have been so fixed, then on the Monday following the first Sunday in Advent.

Notice of the time and place of the annual election shall be given by an advertisement set up in open view at the door of the church, or usual place of worship, ten days previous to such election, and shall also be read by the rector or officiating minister on the two Sundays next preceding such election in time of public service.

The rector or officiating minister shall have the right to vote, or in the event of his

absence, or if no rector be settled in the parish, the meeting shall choose one of the wardens, or if neither of the wardens be present, one of the vestrymen, or if no vestryman be present, then some duly qualified voter to act as chairman. The secretary of the vestry, or in his absence some person appointed by the chair, shall enter the proceedings in the minute book of the vestry, and shall sign the same together with the chairman. The qualifications for voters, and for such officers as may be elected by the meeting, shall be as provided from time to time by the constitution and canons of the Protestant Episcopal church in the diocese in which any such parish may be located. The chairman shall be the judge of the qualifications of the voters, shall receive the votes and declare the result. The election shall be by ballot, and the polls shall remain open for one-half hour, and for such longer time as may be required to receive the ballots of such persons as may be present and ready to vote; three persons shall constitute a quorum. In the event of failure to elect on the first ballot the required number of wardens or vestrymen, to be elected at said meeting, one or more further ballots shall then be taken in the manner hereinbefore provided.

At each annual election of any such parish, hereafter incorporated, one warden shall be elected to hold office for two years, or until his successor is chosen, and one-third of the total number of the vestrymen shall be elected to hold office for three years, or until their successors are chosen. At each annual election of any such parish, heretofore incorporated, both wardens and all the vestrymen shall be elected to hold office for one year, or until their successors are chosen, unless otherwise provided in their charter or certificate of incorporation.

2. This act shall take effect immediately.

Approved April 7th, 1908.

Appendix VIII.

CONVOCATION OF BURLINGTON.

THE DEAN'S REPORT.

In presenting this Annual Report, the Canon requires that there shall be given the "condition, needs and progress in detail" of the Missions of the Convocation. To do this would be a repetition of many words which apply to each one of your Missions, and would become very wearisome. It will be a compliance with the canonical requirement if we first give the list of stations with the name of the incumbent, and then refer to any special details that should be presented.

The Missions are as follows: St. Augustine's, Camden, the Rev. R. H. Tabb; Chew's, Clementon, Magnolia and West Berlin, the Rev. T. H. Gordon; Crosswicks, the Associate Mission; Bridgeton, the Rev. J. C. Robbins; Medford, the Rev. R. H. Wright; Millville, the Rev. E. K. Tullidge; Mullica Hill, the Rev. C. B. Dubell; Paulsboro and Mantua, the Rev. G. L. Bishop; South Camden, the Rev. M. S. Stockett.

Parish Missions are maintained, as in the last report, services being continued at nine other points by the Rectors of Parishes, and good work is being done. Especially would I call attention to the work in Haddon Heights, North Cramer Hill and Collingswood, as well as to the self-supporting work at Pleasantville with its consecrated church. The church in Ocean City has also been consecrated during the year and is now sustaining itself. The work in Cape May is continued and in the new life which seems to be coming will participate in the prosperity of the place.

The details of progress in Convocation Missions are as follows: Bridgeton is anticipating surrendering our aid shortly, a very substantial evidence of growth. Chew's and affiliated Missions grow slowly, while St. Augustine's, Camden, reaches out for a positive development. Crosswicks made a move for an independent life, but is not quite prepared, as we hope it soon will be. Millville had hoped to be ready for building a new church, but the increased cost of building materials has compelled a change in the plans and a further delay in carrying out the projected work. At Mullica Hill the removals have been so many that the work is not encouraging, but the services should be

maintained. Mantua has had a year of unusual growth and progress. A very convenient parish house has been built by the efforts of the congregation, adding to their working facilities. At South Camden the work of reducing the debt under which they have been staggering for so many years goes steadily on, but it is yet a cruel load. Occasional services are held at Dorothy and the congregations continue good, when the services are held. A friend has made possible the sending of a clergyman, but I am not permitted to divulge the name.

Taken as a whole, the progress has been steady. It is when I come to speak of the needs of the work that I am forced to admit that which ought to compel a change of attitude toward this work, which is really the work of the people of this part of New Jersey. I know well the calls that are made for the different parts of the work, but, this work is here at our own doors, and we ought not to forget that it is laid upon us and that we owe it to ourselves to carry it forward. We are not able to undertake any new work, nor are we prepared with funds to rightly encourage the work already begun. This is not a desirable condition of affairs. I am not disposed to think that the people are dissatisfied with the workers in the field, nor can we find a more efficient band of clergy than that which gives itself to this field. But do the people know about the work? The clergy do know, and it is made their duty to give the information to the people. If this knowledge be given and the people do not contribute, we shall not find fault with any one. But there is needed the information or the laity will not give. May we not ask for the giving of this information? The statistics are as follows: Services on Sundays, 1,051; on other days, 175. Baptisms, adult 8; infant 43. Pastoral visits, 2,597.

The Clergy are requested to read this report to their congregations according to the Canon.

Respectfully submitted,

C. M. PERKINS,

Dean.

Appendix IX.

CONVOCATION OF NEW BRUNSWICK.

THE DEAN'S REPORT.

We have again to report a change in the Headship of the Associate Mission. The Rev. Robert W. Trenbath, the Chief of Staff at the date of our last report, resigned his office in December last, and the Rev. Percival M. Wood was appointed to take his place. Mr. Trenbath relinquished his charge that he might accept the rectorship of Christ Church, Trenton, which was made vacant by the consecration of the Rev. E. J. Knight to the high office of Bishop in the Church of God. Mr. Knight had acted as Treasurer of the Mission ever since it was formed, and we greatly miss the friendly interest and careful attention which he ever gave to the administration of its affairs. Mr. Charles E. Gummere, of Trenton, has kindly consented to act as Treasurer in place of Bishop Knight. The Rev. Mr. Wood has entered on the work of leadership with hopefulness and enthusiasm. He has given much time to visiting the missions, that he might become thoroughly acquainted with their condition and prospects, and in most of them he finds signs of encouragement. Noteworthy among the missions whose condition is full of promise is St. James', Trenton, which since the retirement of Mr. Trenbath has been in the charge of Mr. W. G. Wherry. Here there has been an increase of the Sunday School of fifty scholars and several teachers; a class of nineteen has been confirmed; an enthusiastic men's club has been formed; and a vested choir of twenty has been introduced. A handsome pulpit and brass lectern have been given, the interior of the church has been beautifully decorated, and general improvements to the extent of \$500 have been made. Ere long this prospering mission will become independent, and form another contribution of the Associate Mission to our list of Parishes.

The congregation of the Holy Comforter, Rahway, are also aspiring to independence and are looking for some one to lead them forward to the realization of their cherished hope. The Sunday School is in good condition, and the Sunday services are well attended. A new pipe organ has been secured, and a pulpit, built by the loving hand of one of the church committee, has been presented by the maker.

Several minor improvements have been made in the church property, and a quickened interest is manifest in all departments of its work.

The work at the Church of the Heavenly Rest, Plainfield, in charge of the Rev. Charles Townsend, Jr., has also prospered during the year. The Parish House has been renovated, the interior of the church redecored, at a cost of \$500, and aisle and chancel floor covered with a new carpet. A class of eighteen have been confirmed. Renewed interest is apparent, especially in the choir and the men's committee, and the monthly pledge to the Associate Mission has been materially increased.

Calvary Church, Flemington, has been served on Sunday evenings by the minister in charge at Plainfield. The attendance at these services has increased, and the congregation has procured a new furnace and carpet. In the other missions of Hunterdon county, Alexandria and High Bridge, services have been held with increasing interest. At the latter are several English families, who greatly value the Church's ministrations.

Grace Church, Crosswicks, is looking forward to independent life, but is still served by the Associate Mission, and has increased the amount it contributes for services received. The interior of the church has been repainted, and the property put in good repair.

At Christ Church, Allentown, services were held every Sunday during the fall and winter months. If a resident minister should be secured for Crosswicks, this place would naturally fall under his charge.

Trinity, Hightstown, regrets the removal of another staunch Church family from its diminished flock. Growing interest is being shown in the services on the part of the teachers and students of Peddie Institute.

At Mercerville services have been held once a month. The attendance is better than ever before in the history of the mission.

At St. Paul's, Monmouth Junction, services have been held on Sunday evenings with good attendance. The congregation is aiming to place a basement under the church to be used for various parish purposes.

At Trinity, Rocky Hill, the services were maintained up to January 1st by the Rev. Mr. Pray; since that time they have been supplied by the Associate Mission and the St. Paul's Society of Princeton University, the Rev. Mr. Pray kindly continuing to celebrate the Holy Communion once a month.

St. Barnabas', Sand Hills, has been served regularly every Sunday by lay readers of the St. Paul's Society. This mission has been still more weakened during the year by the removal of Church families.

The hope expressed in our last report that St. Uriel's, Sea Girt, would soon become independent, has been realized. The Rev. Howard

C. Ackerman has been called as its Rector, and the parish has become self-supporting. It has taken a very courageous, forward step.

Christ Church, Allaire, has been joined to Sea Girt, and is no longer a charge on the Associate Mission.

At St. Mark's, Carteret, services are held every Sunday afternoon by the Rev. C. H. Mallery. The Sunday School is large, and the regular monthly pledge to the Associate Mission has been increased.

At Garwood services are still supplied by the Rev. Mr. Mulford, of Scotch Plains. Half the sum needed for a church edifice has been collected, and the congregation hopes soon to begin the work of building.

At Holy Cross, Perth Amboy, the services and Sunday School are held regularly, with general conditions unaltered. The struggle for existence here is hard, as the church is situated in the midst of a population composed largely of foreigners.

At the other places served by the Associate Mission services have been held with such regularity and frequency as conditions have permitted. Statistics respecting them are given in the subjoined report of the Associate Mission. With its limited working staff the Mission has not been able to enlarge very much the sphere of its operations. but two new places appear on its report, Slackwood and Farmingdale (Trenton); and it has prospect of being able to establish services at Roebing, a town of two thousand people, yet unprovided with a church building of any kind.

The regular staff at the Mission House are the Reverends Percival M. Wood, Charles Townsend, Jr., and Albert T. Keane; Messrs. Edwin Trenbath and Warren Van Sciver, Lay Readers. The staff is assisted by the Rev. Wm. R. Mulford, at Garwood, the Rev. C. H. Mallery, at Carteret, and the Rev. Stephen A. W. Pray, at Rocky Hill; also by Messrs. J. G. Wilson and Robert Beckett, candidates for orders.

We have but one aided mission under the care of a settled pastor, namely, Holy Innocents', Dunellen, which is served by the Rev. Arthur S. Phelps, of Bound Brook. Here a vested choir has been introduced, and an increased interest in the services has been manifest. There have been six confirmations, and an average attendance of twenty at the services.

We are glad to report that a new mission for colored folk has been started at Red Bank by the Rev. Mr. Jensen, of St. Augustine's Church, Asbury Park, with the assistance of Mr. P. A. McDougall, Lay Reader. The outlook for this work is very promising. There is a considerable number of missions within the Convocation limits, sustained by parishes without assistance from our treasury. Of these no reports have been made to the Dean, but they constitute a very large and important part

of the missionary operations by which the Church is extended in the Diocese.

The Convocation has taken steps occasionally to issue a paper giving information about the condition and prospects of our missions, and we trust that this will help to increase the interest of the faithful in our work. Surely they only need to know the needs of the work to ensure their liberal contributions in its behalf. We commend it to their continued liberality and unceasing prayers.

ALFRED B. BAKER,
Rural Dean.

ANNUAL REPORT OF THE NEW JERSEY BRANCH OF THE WOMAN'S AUXILIARY.

The thirty-third annual meeting of the New Jersey Branch of the Woman's Auxiliary to the Board of Missions was held in St. John's Church, Elizabeth, Wednesday, April 29th, 1908.

At 10.30 there was a celebration of the Holy Communion, the Bishop officiating. In the absence of the Rector, the Rev. Dr. Glazebrook, on account of illness, the Rev. Mr. Morgan welcomed the Auxiliary most cordially.

The Bishop renewed his appeal of last year in behalf of the Widows and Orphans of Clergy Fund, also for aid for Christ Church Home, South Amboy.

At twelve the business meeting was organized, Mrs. Clark in the chair. The minutes of the previous annual meeting and those of the three executive meetings, held during the year, were read and approved.

The Treasurer's report was then read and accepted.

The following appropriations from the Ten Cent Assessment Fund were made:

For Bishop Knight's Work,	\$50 00	
For Archdeacon Hughson's Nurse,	59 40	
For Mexican Work,	45 00	
For Emily Williamson Memorial,	15 00	
For Widows and Orphans of Clergy Fund,	14 00	
		<hr/>
		\$183 40

The systematic Missionary Fund, amounting to \$20.00, was as heretofore voted to the Board for General Missions.

Mrs. Phelps and Miss Foote were appointed by the President to collect and count the ballots. The meeting then adjourned for luncheon.

At two o'clock the meeting reassembled. The Rev. Mr. Wood made an appeal for contributions of money and supplies for the Associate Mission.

The report of the tellers was received, showing the ticket as presented by the nominating committee unanimously elected.

A very interesting address was made by Miss Mann, lately arrived from Japan.

The reports of the several Vice-Presidents were then made, as follows:

Domestic Missions,	\$3,921 72
Foreign Missions,	800 00
Indian Missions,	697 03
Diocesan Missions,	728 75
Work among Colored People,	781 36
Mexican Work,	236 71
Junior Branch,	735 75
	<hr/> \$7,901 32

The report of the Babies' Branch, in the absence of Mrs. Jones, was read by the Secretary. It showed \$119.45 collected and disbursed during the year, included in the above figures.

Miss Edwards reported for the committee appointed by the Executive Board to suggest a plan for dividing the diocese into convenient sections for the holding of neighborhood meetings. The plan suggested by the committee divides the diocese into six districts, three in each division:

The Burlington Section, including Burlington and the surrounding parishes and missions.

The Camden Section, including all Branches within a ten mile radius of Camden.

The Vineland Section, including the parishes and missions in the neighborhood.

The Long Branch Section, bounded by Sewaren on the north and Lakewood on the South.

The Plainfield Section, bounded by Elizabeth on the north and Bound Brook on the south, including Rahway and Linden.

The Trenton Section, to include all parishes between Metuchen on the north and Trenton on the south

The committee reported a number of very successful neighborhood meetings held during the winter.

The following resolutions passed by the Executive Board, and submitted to the Parishes for consideration before being put to vote at the annual meeting, were adopted:

Resolved, That there shall be two Vice-Presidents, one in the Upper and one in the Lower Division, to assist the President in arranging for and conducting meetings and such other duties as pertain to the office.

Resolved, That the several departments of the work shall hereafter be cared for by committees, each of which shall consist of a Chairman and

Vice-Chairman, who shall be members of the Board, and who shall have power to associate others with them as the interests of the work may demand.

The question as to the most convenient place for holding the annual meeting was discussed and it was the unanimous decision that Trenton was the most central point and that some arrangement should be made by which the annual meetings could be held there always. Many plans were suggested and it was finally

Resolved, That each Parish Branch be asked to contribute one dollar a year for the expenses of the annual meeting.

After a vote of thanks to the clergy and women of St. John's Church for their cordial welcome and hospitality the meeting was closed with prayer by the Bishop.

Respectfully submitted,

HATTIE P. TAGGART,
Secretary.

A list of the Clergymen not reporting will be found in Appendix XIII (c).

We have taken the second step toward the erection of a new parish church, by moving the old church to the back of the adjoining lot purchased last year, and we expect to begin the new edifice at an early date. The apparent discrepancy in this report between parochial receipts and expenditures is due to the fact that we have drawn on our invested fund to pay for the preliminary moving of the old church, which building fund is not reported here.

The Parish Hall, 30 S. Kentucky Ave., begun June 1, 1907, has just been completed—a brick building of three stories, 50x80. This has involved the expenditure of extra parochial contributions aggregating \$6,000, in addition to the \$7,000 reported as in the Parish Hall Fund, one year ago.

Services were again held in All Saints' Chapel of Ease, Chelsea, by Rev. J. W. Williams, Vicar, from June 1 until Oct. 10, (64 Sunday services and 164 weekday services, including 66 public and 12 private communion services.) The offerings and donations (all extra parochial) aggregating \$6,690. Of this amount, \$3,500 reduced the mortgage to \$5,500, the remainder being used for repairs and improvements,

and for current expenses, covering the Vicar's stipend for the entire year.

Rev. C. Sydney Goodman has had phenomenal success in preaching to and organizing men. Rev. Paul F. Hoffman removed to Atlantic City about Oct. 1, 1907, and has rendered valuable aid to the Rector at various points.

Rev. Dr. Henry Martyn Kieffer, of the Diocese of Newark, on Nov. 1, 1907, took charge of a Mission House with annexed Chapel, 20 N. Rhode Island Ave., established by Mrs. James Allen Courtney about a year ago. He reports a flourishing Sunday School and (in addition to certain data included in the Parochial Report) 115 Sunday services and 119 weekday services, including 122 communion services. About \$2,500 (one-half extra parochial) has been expended in this work.

Last summer the Congregation of the Chapel of the Good Shepherd, Pitman Grove, was organized. The Philadelphia Suburban Co. donated a piece of land 110x160 feet, valued at \$1,500.00. Since then solid concrete foundations have been laid and paid for at a cost of \$1,000.00. Another \$1,000.00 has been pledged and will soon be due, and upwards of \$200.00 is in the treasury. The temporary use of the M. P. Church property, which is for sale, has been granted by the courtesy of the Board of Trustees and the First Sunday after Easter the Bishop of the Diocese visited Pitman for the first time and preached in the presence of a large congregation.

A memorial window to Mrs. Anna L. Welsh was unveiled by the Rector on October 13, 1907. It is in blue and purple glass and contains an Ideal Figure holding a Cross of Light—a symbol of Christian Faith. The window is a gift of Mr. P. S. P. Randolph, of Philadelphia.

This congregation is now worshipping in its own consecrated church, free from all indebtedness. The furnishings, which are complete, have been presented as memorials and thank-offerings, are beautiful and in

keeping with the architecture, which is pure Gothic. From time to time the seatings will be increased with sufficient pews, till the entire capacity is reached, which will be about double that of the present time. The attendance is steadily increasing, and has been excellent during the winter, notwithstanding most of the Sundays have been stormy. A vested choir was inaugurated at Easter, the vestments having been purchased, made and presented by the Women's Guild, which has also completed the Sunday School and choir rooms, and a rich processional cross was presented by the young girls of the Altar Guild. The congregation is working in entire harmony with its pastor towards the uplifting of the parish.
